CNAC Mission

CNAC seeks to limit and reduce the impact of aircraft noise related to Portland International Airport (PDX) in consideration of, and respect for, the community's environment, health and quality of life. CNAC also seeks to raise the community's understanding of aviation noise.

- CNAC advises Port staff on community noise issues
- Serves as a resource for community outreach
- Provides a forum for residents to address concerns about aircraft operations & noise
- Provide input related to the PDX Noise Management Program
- Participate on other airport advisory committees
- Assist the Port in promoting public understanding of airport noise issues and awareness of the PDX Noise Management Program

CNAC's Role & Charge

- Represent Citizen concerns
- Is a Chaired Public Forum - Public Records
- Open meetings held every other month (2nd Thurs)
- Published meeting notes (Port website)
- Review reported issues, suggest ideas, solutions, proposals for Noise reduction
- Keep appointed jurisdictions informed
- Enhance Citizens understanding of noise
 - **Community Outreach**
 - **Education**
 - **Recommendations**
