National Drug Take Back Day

The Tenth National Prescription Drug Take-Back will take place September 26 from 10:00 AM – 2:00 PM. As with the previous events the lobby of SeaTac City Hall will be open on Saturday September 26, from 10:00 AM – 2:00 PM so that residents may bring their used or expired prescription medications for safe disposal. In the previous nine Take-Back events nationwide 4,823,251 pounds (2,411 tons) of drugs were collected.

Police and Community Meeting – Angle Lake Manor Club

On the evening of Tuesday September 16, 34 members of the Angle Lake community gathered at the YMCA to discuss crime with Chief Mulligan. This meeting was planned as a follow up to concerns that were raised at the August National Night Out event. It was a productive exchange of information and a great starting point for future conversations. Sincere thanks to the YMCA for providing the meeting space.

Citizen Advisory Committee Vacancies

The City has immediate vacancies on the Library Advisory Committee, Human Services Advisory Committee and Hotel/Motel Tax Advisory Committee. These committees serve in an advisory capacity to the City Council, assisting in decision-making and the setting of City policies. Terms of service varies between 2-3 years. It's a great opportunity to make a positive impact!

The Library Advisory Committee

- Meetings are held on the second Wednesday of every other month at 5:00 PM at various locations
- Engages with the Board of Trustees of the King County Library District and the local library official

The Human Services Advisory Committee

- Meetings are held the third Monday of the month at 5:30 PM at SeaTac City Hall
- Makes reports and recommendations on concerning human services issues
- Reviews City actions which may affect the accessibility or quality of human services available to the City residents

The Hotel/Motel Tax Advisory Committee

- Meetings are held the second Wednesday of the month at 3:00 PM at SeaTac City Hall
- Members represent the lodging industry or associated tourism-related enterprise, including not-for-profit organizations
- Provides insight on the City Council annual budget development and adoption process

If you are interested in serving on these committees, please contact the City Clerk's Office at 973.4660 or download an application from the City's website www.ci.seatac.wa.us. All positions are appointed by the Mayor and confirmed by the Council.

King County Wastemobile Opportunity for SeaTac Residents

The Wastemobile operates at different locations in King County from March to October to provide household hazardous waste disposal services for King County residents. The Wastemobile accepts a wide variety of materials and is free of charge. All King County residents can safely dispose of aerosol cans (if not empty), household cleaners, hobby chemicals, oil-based paint, pesticides, spray paint, thinners & other solvents, and many other household hazardous waste items at no cost at the Wastemobile events.

SeaTac residents are encouraged to bring their household hazardous waste to the Wastemobile collection event in Burien for the weekend listed below.

Dates: September 25 –27
Hours: 10:00 AM – 5:00 PM
Location: Burien Fred Meyer parking lot, 14300 1st Avenue S.

Restrictions: No latex paint accepted. There is a limit of 50 gallons total hazardous waste per residential customer per day at all Wastemobile events. No more than 30 gallons of gasoline will be accepted from residents. No containers over five gallons in size will be accepted. Limit of 10 fluorescent tubes/bulbs.

Safe handling: Do not mix products. Keep products in their original containers; label products that are not in their original containers. Secure products so they do not tip over and/or leak; transport similar, sealed containers upright, in cardboard boxes. Secure the load in the vehicle or trailer, and store products away from the passenger compartment.

The Wastemobile is now part of **LightRecycle Washington**, a program to safely collect fluorescent tubes and bulbs that contain mercury. The program is funded through an environmental handling charge that is included in the retail price of these types of lights.

For more information on what you can bring, what NOT to bring, and how to safely transport hazardous materials, visit <http://www.hazwastehelp.org/HHW/whattobring.aspx> or call the Household Hazards Line at 296.4692 or 1.888.869.4233 (TTY Relay:711).

Back to School Tip

It's almost time to go back to school, and we want to remind you that **ATTENDANCE MATTERS!** Good attendance impacts school success, starting as early as preschool and throughout elementary school.
