SeaTac's Community Garden OPEN HOUSE

Join the City of SeaTac at the upcoming open house to learn about a potential community garden in SeaTac and vote on your preferred location.

The City is committed to ensuring that all residents have access to healthy foods and we are working together to make that a reality. One of the ways we envision increasing access to healthy foods is to build the City's first community garden – a place where residents can grow their own food and a place for community gatherings. At this event we are gathering input on selecting the site for the garden and we want to hear from you!

Please join us for a fun evening with food, kids' activities, and lots of resources on what a garden could look like in SeaTac.

September 28, 6:00 PM – 8:00 PM
Bow Lake Elementary, 18237 42nd Avenue S.

EVERYONE IS WELCOME!

King County Wastemobile Opportunity for SeaTac Residents

The Wastemobile operates at different locations in King County from March to October to provide household hazardous waste disposal services for King County residents. The Wastemobile accepts a wide variety of materials and is free of charge. All King County residents can safely dispose of aerosol cans (if not empty), household cleaners, hobby chemicals, oil-based paint, pesticides, spray paint, thinners and other solvents, and many other household hazardous waste items at no cost at the Wastemobile events.

SeaTac residents are encouraged to bring their household hazardous waste to the Wastemobile collection event in Burien over the weekend listed below.

Dates: September 25 –27
Hours: 10:00 AM – 5:00 PM
Location: Burien Fred Meyer parking lot, 14300 1st Avenue S.

Restrictions: No latex paint accepted. There is a limit of 50 gallons total hazardous waste per residential customer per day at all Wastemobile events. No more than 30 gallons of gasoline will be accepted from residents. No containers over five gallons in size will be accepted. Limit of 10 fluorescent tubes/bulbs.
