City of SeaTac
4800 S 188th Street
SeaTac, WA 98188

The City of SeaTac has completed preliminary design of pedestrian improvements that include construction of curbs, sidewalks, and drainage improvements along both sides of 32nd Avenue South between South 188th Street and South 192nd Street. The purpose of the project is to provide improved pedestrian safety and mobility for the residents.

Drop-in any time during the Open House and City staff will show you the project design and how it may impact your particular property. If you are unable to attend, information presented at the Open House will be available on the City website after November 18th; or you may contact the project manager at the telephone number, email, or address shown below.
