

Explorer Graduates from N. Kitsap Fire Academy

The Zone 3 Fire Explorer program, serving the areas of Maple Valley, Renton, Tukwila, and SeaTac, would like to congratulate Harrison Hause of the SeaTac Post on his graduation from the North Kitsap Fire and Rescue Fire Academy last week.

While at the academy Harry not only completed the demanding program, but also was awarded the Most Inspirational Award as chosen by his fellow recruits. Harry and his family are long time Explorer participants and supporters. His graduation from the academy means that Harry is taking the next step in fulfilling his dream of becoming a fulltime firefighter.

The Fire Explorer program is an excellent way for young people 14-21 years of age to find out more about a career in firefighting. It provides training as well as experience with local fire departments on what the job of a firefighter is actually about.

32nd Ave South Sidewalk Project Open House

Please drop into SeaTac City Hall anytime on November 18, 2015 between 5:00 PM and 7:00 PM, for an open house regarding the City's upcoming sidewalk project on **32nd Avenue South** between S. 188th Street and S. 192nd Street.

Improvements will include new curbs and sidewalks, pavement and drainage improvements along both sides of the street, creating improved pedestrian connections to local schools, businesses and transit.

This will be the City's seventh Neighborhood Sidewalk Project. The Neighborhood Sidewalk Program was planned to construct 12 miles of neighborhood sidewalks in 20 years at a cost of approximately \$1.5 million per year. To date, the City has completed five projects and the sixth has just started construction on 37th and 40th Avenues South.
