

## Weather Related Debris Disposal

**Please do not put storm debris in the street or right-of-way**, where it can block storm drains and make it difficult for emergency vehicles or other vehicles to get by. SeaTac residents have several options for dealing with branches and leaves from storms.

**Recology CleanScapes Customers:** Curbside Recology CleanScapes residential garbage service includes recycling and food & yard waste service at no additional cost. Ninety-six (96) gallons of food & yard waste and an additional 96 gallons of **extra yard debris only** may be placed at the curb every other week on regular collection day. Please put extra yard waste in heavy paper yard bags, in bundles tied with **fiber** twine (4' x 2' x 2' limit) or in a rigid can with handle and lid (32 gal., 60 lbs. limit) marked "yard". Paper yard bags are available at hardware stores. If paper bags filled with wet debris sit a long time, the bottom can break. Food scraps are NOT allowed in the extra yard debris. *Please no yard waste in plastic bags or recycling carts.* Contact Recology CleanScapes at 206.767.1166 with questions.

**Haul materials to the Bow Lake Transfer Station** at 18800 Orillia Rd S. For information on hours and costs call 206.477.4466. Drop-off only.

Description: Accepts yard waste for recycling. Includes leaves, grass clippings, weeds, brush, Christmas trees, and branches: must be 4 inches in diameter or less, and less than 8 feet long. Place yard waste in the designated recycling area.

Restrictions: Yard waste must be separated from garbage for recycling. Mixed loads of garbage and yard waste will be disposed as garbage. No dirt or sod. No plastic of any kind. No food scraps. Must be 4 inches in diameter or less, and less than 8 feet long.
