The staff will take part in an extensive training program. Training includes safety, team building, planning and programming for games, arts & crafts, and special events. We will focus on developing age appropriate activities and promoting a positive and successful environment for all of the children. ***A SSCI Background check is done on all city staff and camp leaders, prior to their employment with the city.***

**Check-in/Check-out:**

For the children's safety, a parent or guardian must accompany all children at arrival and departure time. Each child is required to be signed in and out each day they attend camp. Check-in by signing and marking the time by your child(s) name. Children will be released to those individuals authorized by the parent's written permission or to the individuals stated on the registration form. **Authorized individuals may be required to present photo identification before the child will be released to their custody.**

**Reporting Absences:**

Please notify SeaTac Parks & Recreation at (206) 973-4680 when your child will not be in attendance for the day by noon or you can email [camps@seatacwa.gov](mailto:camps@seatacwa.gov).

**Illness:**

**In the event of illness, parents must have alternative plans for child care.** Children not well enough to follow the day's routine (including outside activities) must not attend camp. This includes, but is not limited to children with the following symptoms of illness:

- Fever • Sore Throat • Active Rash • Head Lice
- Discharging eyes • Nausea
- Diarrhea • Stomach Pain • Pink Eye • Early Cold

If a child becomes ill during the program, a parent/guardian will be notified and asked to pick up their child. Parents should establish an alternate plan for their child if they are unable to pick up a sick child or if they cannot be reached by telephone during the work day.

In the event of vomiting, a child may not return for 24 hours after their last bout. Children with lice may not be in camp until 24 hours after the last treatment.

**Contagious Disease:**

Parents are to inform the Recreation Supervisor immediately, when their child contracts or exposed to a contagious disease (including, but not limited to COVID19, chicken pox, conjunctivitis, mumps, measles, viral infections, and lice). We will then post a notice to alert parents. Children being treated with antibiotics for a contagious disease may not return to our facility until the danger of infecting others is over.

Staff is not permitted to administer prescription or nonprescription medication to campers. Staff may only assist a camper who can self-medicate. Any prescription medication to be administered to a child while in our care, must be accompanied by written approval of a parent and a physician. In addition, a medication policy form must be filled out prior to medication being dispensed. All medications must be in the original container with the child's full name, date of purchase, and correct dosage. Non-prescription drugs will be administered for one day only without the authorization of a physician in writing. Please do not leave medication in the possession of your child or in your child's lunch.

**Contacting your child:**

## **Youth Program Guidelines**

Parents are required to read the following guidelines and to read and explain them to your camper. SeaTac Parks & Recreation Department wants your child to have a positive experience at our program. A thorough review and understanding of these guidelines is key to making this happen.

1. Staff and children bring a positive attitude and the willingness to "try" each time you come to the program.
2. Kids will use words that respect themselves and others. Abusive language and teasing will not be tolerated.
3. Kids will follow the leader's directions at all times.
4. Kids will keep their hands and feet to themselves at all times. This means no hitting, biting, scratching or throwing items at other campers or staff.
5. Kids will be within view of staff at all times. The buddy system will be used anytime a kid leaves his/her group without a leader. This includes bathroom breaks.

As stated in the SeaTac Activity Room at Bow Lake:

### 3 Golden Rules

1. Respect Leaders, others, and property
2. Communicate appropriately
3. Have a good attitude and HAVE FUN
