

SeaTac City Council Elects New Mayor and Deputy Mayor

At the March 22 Regular Council meeting, Mayor Rick Forschler voluntarily stepped down as Mayor effective at the end of the meeting. The Council elected Councilmember and current Deputy Mayor Michael J. Siefkes to be Mayor and Councilmember Fernald to be Deputy Mayor through 2017.

Town Hall Meeting

Residents of SeaTac are encouraged to join the SeaTac City Council at a town hall meeting on April 5, from 6:00-8:00 PM at the SeaTac Community Center where attendees will have the opportunity to ask questions of councilmembers. Please click [here](#) to see the flyer or call the City at 973.4800 for more information.

Easter Egg Hunt at Angle Lake Park

Hop on over to Angle Lake Park for some fun on Saturday, March 26 where the Easter Egg Hunt kicks off 9:00 AM sharp. SeaTac Parks & Recreation Department, Kent Fire Department Regional Fire Authority (RFA) and Kent RFA Local 1747 invite you to bring your kids ages 10 and under to our annual event. Kids will "scramble" for eggs and treats and the Easter Bunny will be on hand to greet youngsters and pose for pictures. We recommend that children bring a basket to collect their eggs and treats. For additional information contact the SeaTac Parks & Recreation Department at 973.4680.

Airport – Upcoming Tree Removal Program

Community members are invited to an information session April 11, 5:00 – 7:00 PM, at Highline Public Schools Educational Resource & Administrative Center, 15675 Ambaum Blvd. S.W., Burien, to learn about tree removal around Sea-Tac Airport. Port staff will be available to hear your comments and answer questions about scope, phasing and environmental practices during this work.

The Port expects to begin removing the first of 1600 trees this summer in the cities of SeaTac, Burien and Des Moines to help ensure safe aircraft takeoffs and landings. These trees either are or soon will grow tall enough to penetrate the airport's airspace if not removed. Tree removal on publicly owned and commercial properties is planned for 2017, and residential properties in 2018. Replanting with more low-growing, compatible species will follow.
