POLICE NEWS

Officers Fight to Take Man with Gun into Custody

Early on the morning of Sunday, May 8 SeaTac Officers contacted several people in two vehicles, parked in the middle of the road in the S 18500 Block of 42nd Avenue S. Due to a number of factors including the proximity to a known problem house, officers believed a drug deal had just taken place or was about to take place. As they investigated, one of the males took a

handgun from his waist and raised it toward an officer who was able to break it out of his hands to avoid being shot. Three officers fought to take the male, a convicted felon, into custody. Officers ultimately used a taser to gain compliance and get him into custody. With the exception of abrasions and bruises, the officers who were placed in this fight-for-life were uninjured. Officers recovered 4.4 grams of cocaine, the firearm which was fully loaded with 16 rounds of ammunition and a fully loaded 30 round magazine. The male was evaluated by fire/medics and booked into King County Jail for illegal possession of narcotics, illegal possession of a firearm and assault with a handgun.

Officers Recover Stolen Firearm and Narcotics

On Monday, May 9 at about 11:30 PM SeaTac Officers contacted a suspicious vehicle parked in the Silver Dollar Casino parking lot. A fully loaded handgun was visible in the console area of the car. Officers detained the male occupant to safely investigate further. They learned that the handgun was stolen. A quantity of heroine was located as well. The vehicle was impounded, pending a search warrant to investigate further. The driver was booked into King County Jail for illegal possession of a stolen firearm and illegal possession of narcotics.
