

ROAD MAP

VISION

The City of SeaTac is a clean, safe, thriving and healthy global community that welcomes people to live, learn, work and play.

MISSION

To achieve the City's vision, our mission is to provide fiscally responsible public services in an ethical and transparent manner that continuously strives to: create a clean and healthy city; engage and include; improve community safety and services; and finally, support the growth and development of our community.

VALUES

ACCOUNTABILITY

We commit to transparency, responsibility and ownership in our decisions and actions on behalf of SeaTac's residents, businesses and visitors.

INTEGRITY

We maintain a foundation of trust by being honest, respectful, ethical and true to our word.

SERVICE

We deliver timely, effective, quality and enduring service to all.

TEAMWORK

We work together to innovate and accomplish great results by valuing and respecting each other, being empathetic and communicating openly.

3-5 YEAR GOALS

CITY OPERATIONS

Continuously improve the effectiveness and efficiency of city government.

COMMUNITY ENGAGEMENT

Actively engage the community to gather input on city governance and issues of concern.

INFRASTRUCTURE INVESTMENT

Improve the community by making capital investments.

LIFELONG LEARNING

Support and invest in lifelong learning for the City's citizens, staff and council.

ACCOUNTABILITY

Improve public safety.

REVENUE AND DEVELOPMENT

Steward the City's financial resources and promote economic development to ensure sustainability and future growth.
