Agency Presentations Dale Hoover, Sound Generations shared that Meals on Wheels delivers nutritious and delicious frozen meals to thousands of homes throughout King County each week to home-bound persons age 60 or more to eat well and remain independent. 33 meal options are packaged to be heated in a microwave or conventional oven. Staff and volunteers put care into their work: from the delivery drivers who know each customer by name to the nutritionists who ensure that each meal is balanced and contains 1/3 of a senior's daily recommended dietary allowance.

Cindy Zwart, Sound Generations shared that Volunteer Transportation was formed in 1975 to help meet the transportation needs of 2,000+ King County seniors and their families. A team of over 400 volunteer drivers use their own vehicles to drive seniors to medical, dental, eye, foot care and other essential appointments. Volunteer drivers provide a personalized, one-on-one transportation service. They drive seniors to and from appointments, waiting with them until they are ready to return home. Seniors who use our service appreciate the helping hand and moral support.

New Business The Committee read, scored, and asked questions about the second 1/3 of applications.

Kim shared about the following:

- Back to School Resource Fair: Fill Event on 8/9; Fair on 8/11
- Called attention to the new addition to all agendas – *Council Quorum*
- Acronym list handed out to assist with reading applications

Next meeting: August 15, 2016. Time – 5:30pm. Council Chambers.
