

Valley View Library Re-Opens This Saturday!

Saturday, December 17, 10:00 AM
17850 Military Road S., SeaTac, WA 98188 - 242.6044

The Valley View Library will be reopening this Saturday after a wonderful interior refreshment, featuring more public computers, new shelving, and updated technology and fixtures.

Solid Waste Fee Increases Start January 1

The King County Solid Waste Division has asked the City to help remind residents that an increase in disposal fees goes into effect January 1. This County's increase will help cover rising costs and add more recycling options at its facilities, while modernizing a half-century-old solid waste handling system. The basic fee for bringing solid waste to a King County solid waste facility, when tax and surcharge are included, will increase from \$129.40 to \$144.34 per ton, and the minimum fee will increase from \$22 to \$24.25. The typical single-family curbside customer who puts out one can of garbage per week is likely to see an increase of 77 cents per month in the garbage bill from their hauler to cover the new disposal fees. You can read more about the increase here: www.kingcounty.gov/depts/dnrp/newsroom/newsreleases/2016/December/12-SWD-rate-reminder.aspx

Warming Shelter at SeaTac Community Center

Reminder: When the weather forecast is 32 degrees or below for two or more days, the SeaTac Community Center will act as a "warming shelter" during normal business hours.

Community Center Hours:
Monday - Thursday: 8:30 AM—9:30 PM
Friday: 8:30 AM— 5:00 PM
Saturday: 8:30 AM - 4:00 PM

CONSTRUCTION AND TRAFFIC ALERTS

Intersection Improvements at Military Road and S 200th

Construction work by WSDOT is continuing on the Southbound I-5 interchange at Military Road South and South 200th Street. This work will widen and realign the intersection and install new traffic signals to allow for easier access between I-5 and, the Angle Lake Light Rail Station, and the City of SeaTac. Please plan alternate routes around the area if possible. Please contact 440.4DOT (4368) for any noise related complaints or the 24-hour construction hotline at 888.298.2395.

What to expect:

- The intersection will be rebuilt in phases to minimize impacts to the traveling public.
- Motorists should expect travel delays during construction on S. 200th Street, Military Road, the southbound I-5 off-ramp to S. 200th Street/Military Road, and the S. 200th Street/Military Road on-ramp to southbound I-5 with increased delays during weekday commuting hours.
- Lanes may be reduced during construction. There may also be periodic I-5 ramp closures at this location. Signage and flaggers will help motorists and pedestrians get safely around the work zone. Ramp closures will be announced in advance using electronic message signs.
- Typical work times will be between 7:00 AM and 5:00 PM on weekdays and nighttime work will also be happening. The City has approved a noise variance for nighttime work for this project.
- Expect noise from equipment breaking up and removing existing sections of asphalt and other activities (trucks, excavators, bulldozers, vector trucks, drill rigs, sawcutting equipment). Lighting will be used to illuminate the work area during nighttime hours.
