

Community Meeting - Waterfront Park at the Hughes Property

A new two acre waterfront park will be constructed on a portion of the former Hughes property site just south of Angle Lake Park. John Barker Landscape Architects has developed a design for the park and we will share the latest design at a Community Meeting on Wednesday, March 29, 6:00 - 8:00 PM at City Hall Council Chambers. The park will improve public access and provide opportunities to walk and enjoy the beautiful shoreline setting on the south west shore of Angle Lake. An eight foot wide trail will provide a connection from Angle Lake Park to the new waterfront park. For more information please call Lawrence Ellis, Director of Parks, Community Programs and Services at 206.973.4681.

Stay Informed and Aware During an Emergency

The City of SeaTac has instituted the CodeRED Emergency Notification System - an ultra high-speed telephone communication service for emergency notifications. This system allows us to telephone all or targeted areas of the City in case of an emergency situation that requires immediate action (such as a boil-water notice, missing child or evacuation notices). It then delivers our recorded message to a live person or an answering machine, making three attempts to connect to any number.

However, this system is only as good as the telephone number database that supports it. If your phone number is not in the database, you will not be called. Individuals and businesses are given the ability to add their own phone numbers directly into the system's database. No one should automatically assume his or her phone number is included. All individuals and businesses should go to the City of SeaTac webpage and follow the link in the upper left to get to the "[CodeRED Community Notification Enrollment](#)" page. Those without Internet access may call the City of SeaTac Fire Department at 206.973.4500 to supply their information over the phone. Required information includes first and last name, street address (physical address, no P.O. boxes), city, state, zip code, and primary phone number, additional phone numbers can be entered as well.

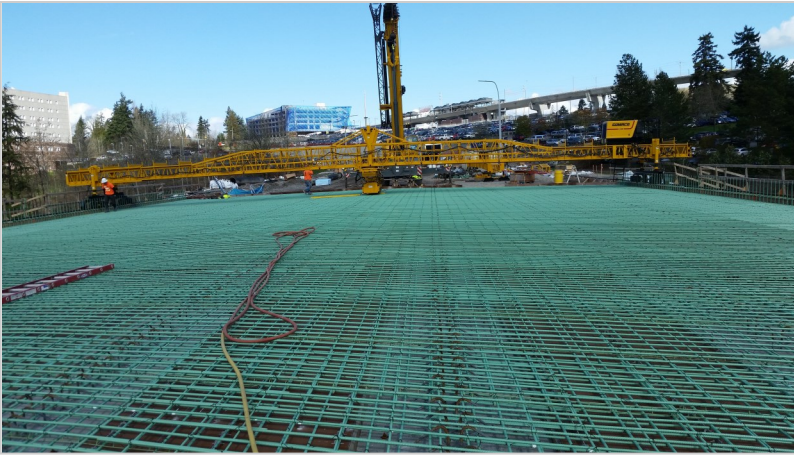

There is no charge to register for or use CodeRED and your personal information will be kept confidential.

Public Works Project Updates

Connecting 28th/24th Avenue S.

Project extends new roadway and non-motorized improvements from the intersection of S. 200th Street and 26th Avenue S. to the intersection of S. 208th Street and 24th Avenue S. It completes the

gap in the 28th/24th corridor and provides an alternate north/south arterial to SR 99. It mitigates congestion and improves multi-modal access to the Angle Lake Light Rail Station in lieu of widening SR 99. The project is a regional partnership between SeaTac, Sound Transit, Port of Seattle, WSDOT and Des Moines. Access will enable development of adjacent properties.

Update:

- Installation of wingwall panels on tunnel structure completed.
- Tunnel backfilling completed on March 17
- Installation of illumination poles is ongoing.
- Site restoration is continuing – landscaping, tree planting and general tidying up.
- Bridge deck pour completed on March 19
- Excavation for block walls has begun.
- Continue erosion and sediment control.
- Begin approach slab work.

Intersection Improvements at Military Road S. and S 200th Street

Beginning Monday, March 27 the Contractor will begin paving work within this intersection from 9:00 PM – 5:00 AM. They will start by closing the I-5 on/off ramp to grind existing pavement. They will also be grinding pavement on S. 200th Street from the edge of Military Road S. to approximately 300' (west). Lane closures on S. 200th Street and Military Road S. are expected for this work.

Traffic control will consist of an off-duty officer and flaggers. Detour is only for I-5 ramp closure. No detour for S. 200th Street or Military Road S. is scheduled as they will still have limited access through the area. Paving of this area is scheduled in following weeks (weather depending). The paving will also occur at night and follow the same arrangements.

Please plan alternate routes around the area if possible. Please contact 440.4DOT (4368) for any noise related complaints or the 24-hour construction hotline at 888.298.2395.

Valley View Library February Events

17850 Military Road S. - 206.242.6044

Family Story Times

Thursdays at 10:00 AM

Mondays at 7:00 PM

Family program, all ages welcome with adult.

Stories, songs and fun!

Coding: Bee-Bots

Friday, April 28, 2:30 - 3:30 PM

Ages 4 to 8 with adult.

Adults and children work together, using simple instructions, to program a friendly little bee robot. Join us for this fun family activity!

Please register beginning April 14. Participation is limited to 15 children.

Citizenship Classes

Wednesdays 10:00 AM

Learn how to become a United States Citizen.

Study for the naturalization test, including civics questions, reading and writing English and practicing your interview skills. Classes are free, join anytime!

One-on-One Computer Help

Saturday, April 8 and 22, 3:00 - 4:00 PM

Have a special project you're working on? Want to create an email account? A KCLS TechTutor volunteer instructor can give you one-on-one assistance.

No appointment necessary, assistance provided on a drop-in basis using a library laptop. Assistance is also available in Arabic and Amharic.

Drop-in to learn about eBooks

Saturday, April 22, 3:00 - 4:00 PM

Learn how to download eBooks, magazines, comic books, movies and other online services from KCLS! Bring your eReader, tablet, phone- or just your questions.

Accompanying adults do not need to register.

EVERYONE'S TALKING ABOUT IT

What's on YOUR mind in 2017? Join in lively conversations about topics that matter with free programs at KCLS libraries.

Politics, education, space exploration, sustainable living, race and important moments in history are just a few things we will discuss. Find topics that fascinate YOU and come talk about it.

For more information, www.kcls.org.

Spanish Story Times

Thursdays 6:00 PM

Family program, all ages welcome with adult.

Stories, songs and fun!

Talk Time Classes

Wednesdays, 1:00 - 2:30 PM

Practice speaking English with other English language learners. Learn about American culture and meet people from around the world. Classes are free, join anytime!

Computer Class: Microsoft Word 2013 Level 1

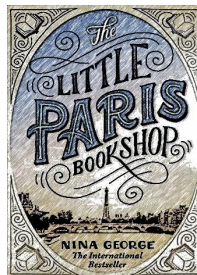

Tuesday, April 11, 6:30 - 8:00 PM

Learn and practice word processing: enter and format text, cut and paste, work with files. Must be able to use the mouse and keyboard.

Computer Class: Microsoft Word 2013 Level 2

Wednesday, April 19, 6:30-8pm

Enhance your text documents with document designs, page layout and special tabs options. Must have Microsoft Word Level 1 proficiency.

Valley View Library Book Club

The Little Paris Bookshop

By Nina George

Tuesday, April 25, 7:00 - 8:30 PM

Reducing Waste and Reusing Furniture!

On Wednesday, March 22, the City's Human Services agencies were invited to visit old Fire Station 45 to select old furniture items that are no longer being used. The furniture became available after the fire fighters moved to the newly constructed Fire Station 45 in May 2016. Instead of disposing of all of the used furniture, staff contacted the agencies to see if they could utilize any of the remaining items such as filing cabinets, bookshelves and chairs. While most of the furniture was well worn, many pieces could have a second or third life in another setting. The agencies provided their own staff and transportation to take the furniture they selected. Human Services agencies that participated included Tukwila Food Bank, Des Moines Food Bank, Navos and the Children's Therapy Center. Staff is doing their best to find ways and places to reuse and recycle the useable furniture prior to demolition of the building later this year.

POLICE NEWS

Results of New Traffic Safety Emphasis Campaign

During the first two weeks of March SeaTac Police participated in a WA Traffic Safety Commission (WTSC) Emphasis campaign titled "5 to Stay Alive". This grant-funded emphasis was created to address speeding, DUI, distracted driving and seatbelts. In 28 total hours, Deputies Conner, Kyle, Fowler and Crawley made 87 contacts which resulted in 54 infractions, 45 warnings and 5 criminal citations.

LifeSaver Award Presented to SeaTac Deputy Zach Brubaker

On March 21, the Chief of the Metro Transit Police Department came to City Hall to present SeaTac Deputy Zach Brubaker with a LifeSaver Award. The incident occurred on November 9, 2016 as Zach and his partners were working for Metro Transit Police at a protest near Westlake Park in Seattle. From their post, Zach and his partner heard gunshots and responded to find five people shot on the street. Zach was able to apply a tourniquet to stop one victim's bleeding while his partner tended to another victim. Major Jutilla expressed his sincere appreciation for Zach's efforts that night and his time in service to Metro.
