

## Comprehensive Plan/Development Regulations

### Amendment Proposal Deadline Friday, April 28, 2017

The biennial Comprehensive Plan Amendment process is an opportunity for community members to propose changes to the Comprehensive Plan. In order to maintain consistency between SeaTac's development regulations and the Comprehensive Plan's goals and policies, the City is also conducting a concurrent development regulations amendment process.

#### ***Proposed Amendments from the Public are Welcome!***

**Application Packets:** Information and amendment application packets are available from the Department of Community and Economic Development, or via the Comprehensive Plan web page at [www.ci.seatac.wa.us/compplan](http://www.ci.seatac.wa.us/compplan).

Please note that amendments are considered every other year, so the next proposal process will not be until 2019. For more information, contact Kate Kaehny at 206.973.4750, or [kkaehny@ci.seatac.wa.us](mailto:kkaehny@ci.seatac.wa.us), or come to City Hall and talk to Planning Division staff.

# Public Works Project Updates

## Connecting 28th/24th Avenue S.

Project extends new roadway and non-motorized improvements from the intersection of S. 200th Street and 26th Avenue S. to the intersection of S. 208th Street and 24th Avenue S. It completes the gap in the 28th/24th corridor and provides an alternate north/south arterial to SR 99. It mitigates congestion and improves multi-modal access to the Angle Lake Light Rail Station in lieu of widening SR 99. The project is a regional partnership between SeaTac, Sound Transit, Port of Seattle, WSDOT and Des Moines. Access will enable development of adjacent properties.

### Update:

- Installation of illumination poles is on-going.
- Removal of bridge deck false work continues.
- Relocation of utility poles on S. 208th Street/24th Avenue S. continues.
- Rebar and formwork is being set for concrete walk on bridge deck, pour is scheduled to occur April 14.
- Backfilling area south of the tunnel.
- Tree planting in planter strips.

## 2017 Overlay Project

The following roadways will be included in the 2017 overlay: 12th Place S. and 13th Avenue S. between S. 200th Street and S. 207th Street and S. 207th Street between 12th Place S. and 14th Avenue S. Highline Water District (HWD) will be replacing all of their water lines and services within the project limits. An ILA is being drawn up between the City and HWD to incorporate the water line replacement work into the 2017 Overlay project plans.

### Update:

- An Open House has been scheduled for this project on May 3, 6:30 PM at the North Hill Elementary School. Additional stormwater improvements are being considered for the project which may delay construction until 2018.

## S 168th Stormwater System Improvements

Preliminary design has begun. Project is anticipated to bid in early June.

# POLICE NEWS

## Guns DUIs and Warrants – March

During the month of March 2017, SeaTac Officers and Detectives removed the following from the streets:

Guns ----- 8    DUI's ----- 10    Warrants ----- 57

## Increase in Shootings - South King County

South King County police agencies (SeaTac, Burien, Seattle and Des Moines) have seen a spike in the number of shootings over the last several months. We are working together with federal partners to address the problem and have confidence that we will make a positive impact going forward. In the meantime please help us by doing the following:

- Do what you need to do to keep yourself safe.
- Call 911; don't assume someone else has already called.
- Report these things if you can:
  - Associated sounds (squealing tires, revving engines, yelling, etc).
  - Abnormal activity witnessed around the time of the shots.
  - Descriptions and direction of travel of vehicles leaving the area.
- If you find shell casings as you walk, work or play in the City, report the location via 911.

## 2016 Annual Police Service Data and Highlights Report

Each year, the King County Sheriff's Office produces the Annual Police Service Data and Highlights Report for each of its contract city police departments including the SeaTac Police Department. The goal of the report is to inform residents, staff, administrators and elected officials of police service and crime activity in the City.

The 2016 report is now available for review at the [City/Police website](#)  
Please contact Chief Mulligan with questions (206)973.4900.

## Contractor Training and Education

The Department of Labor and Industries' Contractor Training and Education Program is offering free training events accessible to the public to gain knowledge in subjects to enhance their business. This event is for new businesses in Washington, those who are adding employees to their business, or those wanting a refresher on what they should be 'in the know' about. The event is geared toward construction contractors, but any business can take advantage of and find useful information in many of the classes being offered. Classes will be held at Seattle Central College on Friday, May 5. Applications are available at the City of SeaTac Building Division on the 3rd floor of City Hall.

## Summer Internships

The Port of Seattle is accepting applications through April 23 for its 2017 summer internship program with 150 paid roles for high school and college students. The internship program, which tripled the number of positions offered from two years ago, is one element of the Port's community-based effort to ensure a pipeline of trained workers in key industries. The Port offers internships for graduate, undergraduate and high school students in various fields of study including but not limited to: Accounting, Auditing, Construction Management, Engineering, Environmental, Finance & Budget, Human Resources, Marketing, and Planning. More information can be found [here](#).

In addition to the open positions at the Port, area businesses in the maritime and manufacturing sectors are participating in a program to host their own interns with more information [here](#). The Port of Seattle's Intern Sponsor Program places future leaders with small businesses connected to the port, waterfront, and our local manufacturers. In 2016, companies like Vigor and Status Ceramics partnered with the Port to create additional opportunities for students. If you know of a company that might be interested in joining this network, please have them visit the website for additional details.
