

City Manager's Weekly Update

April 9, 2010

Dear Mayor, Councilmembers, Residents, and Employees:

Egg Hunt Update: Saturday, April 3 along the windy, cold shoreline of Angle Lake, 250 hardy scavengers withstood the elements to participate in the annual Egg Hunt. With a keen eye, a fleet foot and a quick hand, the grounds were picked clean of all edible delights and cleared of all prize holding eggs. Laughter was heard around the park, photos were taken with the giant bunny, and fun was had by all. A special thank you goes to SeaTac resident Lisa Woessner, as well as Lisa's mother and brother, who for the past several years have donated handmade Easter baskets to the Fire Department as prizes at the Egg Hunt.

Council Coffee Chat: Come by for a cup of coffee and informal chat with a few of your City Councilmembers in a relaxed setting. Please see the attached flyer for details.

Spring Recycling Event: Bring the following materials to be recycled this Saturday, April 10, from 9:00 AM to 3:00 PM at the Tye Educational Complex parking lot: appliances, refrigerators/freezers (\$20 cash fee per each refrigerator/freezer), scrap metal, batteries, fluorescent light bulbs, oil, antifreeze and filters, tires, clothing, and reusable household goods. Please note that computer peripherals such as keyboards, mice, and printers are accepted at our recycle events.

Televisions, computers, computer monitors, and laptops are no longer accepted at our recycle events. Call 1.800.RECYCLE or visit 1800recycle.wa.gov to find authorized electronic product recycling services in your area. **E-cycle Washington sites will accept televisions, computers, computer monitors, and portable or laptop computers throughout the year for free.** Households, small businesses, schools and school districts, small governments, special purpose districts, and charities can recycle electronic products free of charge.

Grants from the King County Waste Reduction and Recycling program, the Local Hazardous Waste Management program, and Department of Ecology's Coordinated Prevention Grant program will fund our 2010 Special Recycling Events. For more information contact Resource Conservation/Neighborhood Programs Coordinator Trudy Olson at 973.4763. Please see the attached flyer for more information.

SeaTac Domestic Violence Task Force Food Drive for Highline Area Food Banks: Saturday, April 10 and 24, from 9:00 AM to 3:00 PM at the Tye Educational Complex parking lot, you may bring canned and non-perishable food, diapers, toilet paper, soap, pet food, and laundry detergent to donate to SeaTac's Domestic Violence Prevention Program. Paper bags and donations are welcome too! Call Chris with any questions at 973.4933.

Rain Barrel Sale: Saturday, April 10, from 9:00 AM to noon, or until they are sold out, we will sell rain barrels to SeaTac residents in front of SeaTac City Hall. These rain barrels will help you harvest untreated rain water by simply hooking it up to your down spout. For only \$20 each (subsidized by King County Waste Reduction and Recycling grant), these 60-gallon rain barrels have a mesh screen on top, a brass hose bib spigot, and an excellent overflow system. Limit three per SeaTac household, cash only please.

42nd Avenue S. Gas Main Replacement: Starting next week and continuing through May, Puget Sound Energy (PSE) will be replacing the gas main along 42nd Avenue S. between S. 176th Street and S. 182nd Street. Daytime lane closures will be necessary during construction. Questions about this project should be referred to PSE's Project Manager, Tom Ling, at 425.250.1544.

Todd Cutts, Interim City Manager

Join us for
the Council
Coffee
Chat

**Tuesday,
April 13, 2010
10:00AM - Noon**

**SeaTac Community
Center-Senior Lobby**

Drop by for a cup of coffee and informal chat with a few of your City Councilmembers in a relaxed setting.

Puget Sound
Starts Here.org

It starts in driveways, roads and storm drains.

Help reduce the amount of pollutants carried by stormwater to the Puget Sound by using one of these fish friendly car wash alternatives.

- Wash your car on your lawn or gravel area where water can infiltrate into the soil.
- Take your car to a coin operated or professional car wash. Their car wash run-off is either recycled or drains to the sanitary sewer system where it is treated before it is released to our waterways.
- If you are planning a fund raising car wash, contact the City to learn about our car wash kit program and other fish friendly alternatives.

For more information contact
Trudy Olson at
206.973.4763

E-Cycle Washington

Washington now has a FREE recycling program called "E-Cycle Washington" for computers, computer monitors, laptops, and televisions. Call **1-800-RECYCLE** or visit **1800recycle.wa.gov** to find authorized E-Cycle Washington collection locations.

In the SeaTac area you may drop off computers, computer monitors, laptops, and televisions at no charge at most Goodwill, Salvation Army and St. Vincent de Paul stores. Please note - drop off locations may change. Computer peripherals such as keyboards, mice, and printers are not included in this program but will be accepted at SeaTac's Recycling Collection Events.

Why recycle electronics?

Many electronics, especially TVs and computers, contain toxic materials such as lead, cadmium and mercury. Reusing and recycling electronics keeps these toxic materials out of our landfills and incinerators and also recovers valuable resources.

The electronic equipment that the E-Cycle Washington program collects will be taken apart and separated into materials such as glass, plastic, metal and toxic chemicals. All recycling will follow performance standards set up by the Department of Ecology.
