

### Changes Coming to Angle Lake Parking Lot

Anyone who has visited Angle Lake Park on a busy summer day has seen a congested parking lot with cars circling to find a parking spot and some confusion over the parking stall configuration upon entering the park. In an effort to improve traffic flow within the lot, there will be some changes to the parking stall configuration in the lower portion of the lot. Beginning this week, a contractor will remove one of the concrete "islands" on the east end of the lot near the park entrance that constricts some of the current traffic flow. Parking stalls in the lower section of the lot will then be reconfigured to accommodate two way traffic down the aisles and allow traffic approaching from either direction to pull into a parking stall reducing the traffic circling through the lot due to driver confusion. The work will take place at night so daytime use of the park and parking lot will not be impacted. The work is anticipated to be completed in about a month.

### Spray Park at Angle Lake Park is OPEN!

Saturday, July 29, 6:00 PM - Angle Lake Park

Bring a blanket or lawn chair. The performance is free and additional parking is available at the Alaska Airlines parking lot. [www.CityOfSeaTac.com/SpecialEvents](http://www.CityOfSeaTac.com/SpecialEvents)

"Cinderella – A Global Story," is an original live music cultural dance theatre production written and directed by Suzanna Davis, exploring the many versions of the Cinderella story across cultures through dance. Debuted as an "Egyptian" story in 2013 this production will return, reinstated as a Global story featuring African, Samba, Flamenco, Indian Kathak, American tap, classical and modern Egyptian dance, and other styles, again with live music. A fun and familiar story that is enlightening and entertaining for the whole family!

## Summer Food Service Program

Highline children can eat free breakfast, lunch, and snacks during the summer through the federally funded program. Meals are free to children 18 years old and younger. A child does not need to be a Highline student to participate. Registration is not required. There are no forms to fill out and no names are written down.

Meal sites, dates, and serving times may change. Families are encouraged to use the [USDA's Summer Meals Finder](#) website to find a nearby location serving a free meal by entering their zip code. This website will be updated throughout the summer. You can also use the site to find a free meal if you're not in the Highline area.

Last summer, we served 50,967 meals to children and teens. Thanks to all the great partners in the community and Highline Nutrition Services who made 2016 a very successful summer meal program!

About the Summer Meal Program:

- All children and teens age 1-18 years are welcome.
- A child does not need to be a Highline student to participate.
- Registration is not required.
- There are no forms to fill out and no names are written down.
- Meals are 100% free.
- The Summer Meal Program is a USDA program.
- Meals are to be eaten onsite.

All meals will be served on a first-come, first-served basis.

## Citizen Advisory Committees

In 2016, Council referred review of all of the City's Citizen Advisory Committees to the Administration & Finance (A&F) Committee to determine whether any committees should be merged, changed, or removed. On March 23, the Committee met in a special meeting and reviewed options. The recommendations were then presented to Council at their May 9 Council Study Session for review and May 23 Regular Council Meeting for action. Here are the substantive changes that were proposed and confirmed in [Ordinance #17-1010](#):

### The following Advisory Committees have upcoming vacancies:

- Arts, Culture & Library Advisory Committee
- Community Services Advisory Committee
- Planning Commission
- Senior Citizen Advisory Committee
- Sidewalk Advisory Committee

### Applications will be accepted until vacancies are filled.

If you are interested in serving on a committee, visit the city's website at [www.ci.seatac.wa.us](http://www.ci.seatac.wa.us) for additional information or to download an application, or contact the City Clerk's Office at 973.4660.

All positions are appointed by the Mayor *and* confirmed by the Council.

# Public Works Project Updates

## Connecting 28th/24th Avenue S.

Project extends new roadway and non-motorized improvements from the intersection of S. 200th Street and 26th Avenue S. to the intersection of S. 208th Street and 24th Avenue S. It completes the gap in the 28th/24th corridor and provides an alternate north/south arterial to SR 99. It mitigates congestion and improves multi-modal access to the Angle Lake Light Rail Station in lieu of widening SR 99. The project is a regional partnership between SeaTac, Sound Transit, Port of Seattle, WSDOT and Des Moines. Access will enable development of adjacent properties to the highest & best use. **Work on this project is almost complete. A ribbon cutting ceremony is scheduled on August 9 and the roadway will be open for traffic soon thereafter.**

### Update:

- Installing guardrail.
- Installing cable fence and bridge pedestrian rail.
- Installing tunnel security fence.
- Installing sidewalk ramps.

## 2017 Overlay Project

The following roadways will be included in the 2017 overlay: 12th Place S. and 13th Avenue S. between S. 200th Street and S. 207th Street and S. 207th Street between 12th Place S. and 14th Avenue S. Highline Water District (HWD) will be replacing all of their water lines and services within the project limits. An ILA is being drawn up between the City and HWD to incorporate the water line replacement work into the 2017 Overlay project plans.

### Update:

- Staff is developing 90% plans. Construction has been postponed until March/April 2018.

## S. 168th Stormwater System Improvements

- Final plans are in development. Project is anticipated to bid in September.

## ADA (American Disability Act) Transition Plan

- A project kickoff meeting was held on July 19, data collection is anticipated to begin within the next couple of weeks.

## Permit Parking Program

- A project kickoff meeting was held on July 13. A stakeholder group is being developed to provide input and ideas for the program.

## Military Road and S. 152nd Street

Improvements for this road reconstruction and safety project include construction of buffered bike lanes; curb and gutter; sidewalks; new pavement; installation of street lighting; upgraded and interconnected signalization with pedestrian crossings; construction of a right turn lane on eastbound S. 152nd Street; and the elimination of the skewed intersection at Tukwila International Blvd. and Military Road S. This project is scheduled for construction in the summer of 2018.

- Surveying is complete and a base map is being prepared. Preliminary design has begun.

## No Lifeguards at Angle Lake Park

City staff has been actively recruiting lifeguards since February but unfortunately, staff was unable to hire any qualified lifeguards for Angle Lake Park this summer. Same as last year, the lack of qualified lifeguards is an issue that pools and lakes throughout the country are experiencing. For those who will enjoy themselves at the lake, staff strongly recommends that you read the water safety tips below for you and your family. Water safety tips are provided by your local fire fighters.

### Water Safety Tips

Some of the best parts of living or visiting the Northwest are the easily accessible lakes and rivers, and the recreation they provide. Unfortunately those same bodies of water can pose a hazard to the unwary.

Each year over 3,000 people die from drowning, nationally. In King County an average of 31 people die. In addition, drowning is the leading cause of unintentional injury death for children ages 1 – 17. One in five people who die from drowning are children 14 years old or younger, and for every death, five children are seen in emergency rooms.

If you are planning on going to a lake, river, the ocean, or a pool, your firefighters ask that you please keep these safety tips in mind.

#### General Water Safety:

- Supervise children at ALL TIMES.
- Take swimming lessons and never exceed your abilities.
- Go to bodies of water that you are familiar with.
- Always wear a well-fitting Coast Guard approved life jacket when near or in water.
- Remember that boating/swimming and alcohol are a dangerous combination.
- Always swim with a buddy.
- Notify others of your plans to be on the water and a return time.
- Take a cell phone with you.

#### Rivers:

- Wear the appropriate equipment. In addition to a life jacket, consider a helmet and foot covering.
- Use a professional rafting company.
- Avoid cheap/inexpensive rafts that can be easily damaged by branches and stumps exposed on the river.
- Know that river water temperatures are typically in the low 50's.

#### Lakes:

- Obey boating laws and rules for the particular lake you are on.
- Watch for swimmers, those fishing, and other boats/watercraft.
- Know ahead of time about any underwater obstructions such as tree roots or branches.
- Swim at lakes that have life guards.

#### Pools:

- Swim at pools with life guards.
- Floating or inflatable toys are not a safe substitute for a life jacket.

# New Distracted Driving Law

Effective July 23, 2017

## No hand-held cell phone use

Drivers may not use hand-held cell phones while they are driving, stopped in traffic, or at a stop light. This includes tablets, laptops, games, or other hand-held electronic devices.

Drivers may not watch video while they drive.

This does not apply if a driver is contacting emergency services.

Drivers can use hand-held devices when they are pulled over out of the flow of traffic.

## Hands-free use is allowed

Hands-free use, such as through Bluetooth, is allowed as is a single touch to start a function. Start GPS or music before you drive.

*Research shows that phone conversations reduce visual attention. Pass your phone to the passenger, put it in the glove box, or turn it off before you drive.*

## Dangerously distracted

You can also get a \$99 ticket for other types of distractions such as grooming, smoking, eating, or reading if the activity interferes with safe driving and you are pulled over for another traffic offense.

## Not included

Some things are not included in the law. Transit and emergency vehicle drivers are exempt. Drivers of commercial vehicles must follow federal laws.

Two-way radio, citizens band radio, or amateur radio equipment are not included in the law.

## Costs

The first ticket will cost at least \$136. Get a ticket again within five years, and those tickets cost at least \$234. Unlike current law, which exempts cell phone violations from being reported to insurance companies, all violations will be available to insurance companies.
