BUSINESS

Agency Presentations

Parks Director, Lawrence Ellis introduced Kone Consulting – the consultant hired to do the Human Services Needs Assessment sharing they were here to present a PowerPoint of their draft report for Committee feedback.

The consultants provided an overview of their process, presented a compilation of extant data collected to form a base of understanding the community, a summary of what they heard from events held and key informant interviews and a set of recommendations for consideration. Q & A from committee members and audience occurred.

Presentations to Administrative and Finance Committee and Council Study Session are as follows:

- A&F: January 4th, 2018, 3pm, Riverton Room
- Council Study Session: January 9th, 5pm, Council Chambers

Anela Delalic and Kent Palosaari were welcomed and introduced as our newest members of the Community Services Advisory Committee. They shared a bit about themselves and their desire to make a difference for SeaTac residents.

New Business

Because the consultant presentation took most of the meeting, Colleen shared briefly about Holiday of Hope coming up on December 16th. If you want to volunteer, let her know. Donations are still being accepted.

A draft calendar/work plan would be shared at the next meeting for consideration.

Next meeting:

January 8, 2018. Time – 5:30pm – 7:30pm. Riverton Room.
