

# City of SeaTac Human Services Needs Assessment

January 2018

#### Human Services Needs Assessment

## Purpose

The City of SeaTac sought to better understand the community's needs in order to better inform investments in human services.

# Background

# SeaTac adopted first Human Services Plan in 1999 to address six priorities:

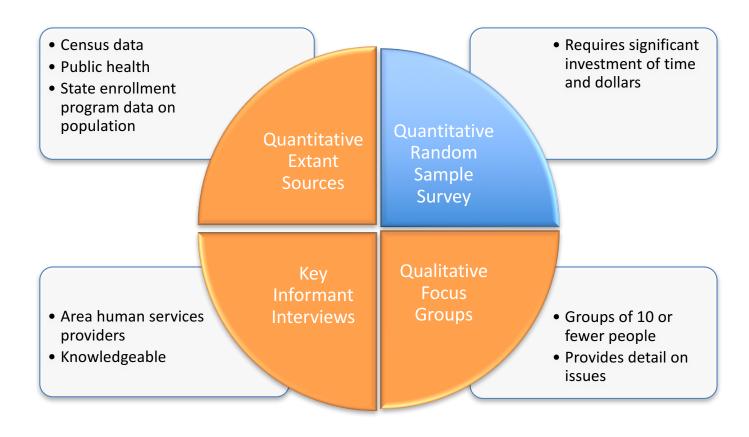

- Basic needs
- Primary care
- Domestic violence services
- Information and referral
- Independent living
- Refugee and immigrant services

# Mixed-Methods Approach

A mixed-methods research approach was utilized to add value and discover complex answers

## **Human Services Commitment**

The City of SeaTac has demonstrated a strong commitment to investing in programs and organizations positioned to address its complex human services challenges.

\$530,000

in grants annually

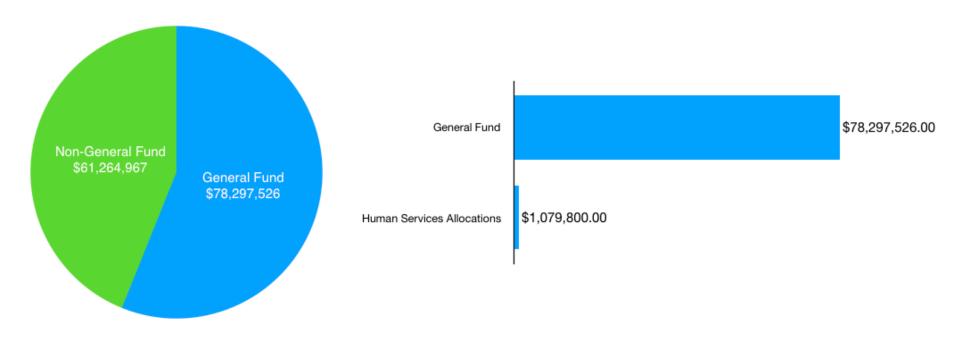

SeaTac dedicates 1.5% of its General Fund budget to human services grants. The City's total budget for human services was nearly \$719,000 in 2017.

# City of SeaTac Budget Breakdown

Currently dedicates 1.5% of general fund budget to human services grants to community organizations.

Human Services Allocation 2017-2018 (January 1, 2018)

# A Regional Leader in Human Services

We have a fine city —
it is wealthy, we have the airport, business, beauty.
We can support our vulnerable community.
— community member

#### Opportunties to Leverage Leadership Position:

- Convening local governments as regional partners
- Aligning the City's human services functions and capacity with overall strategic plan
- Pro-active community engagement strategy

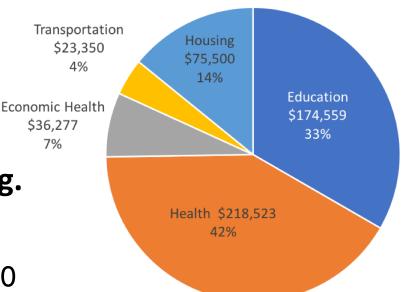

# 2017-18 Grant Funding

# Results-Based Accountability

Agencies are contracted to reach 90 % of their combined goals.

City of SeaTac 2017-2019 Human Services Budget by Opportunity Index Area

#### All are on track or exceeding.

#### 2017 Funding:

- 1.5% equated to \$528,000
- Funds 26 agencies providing 36 programs

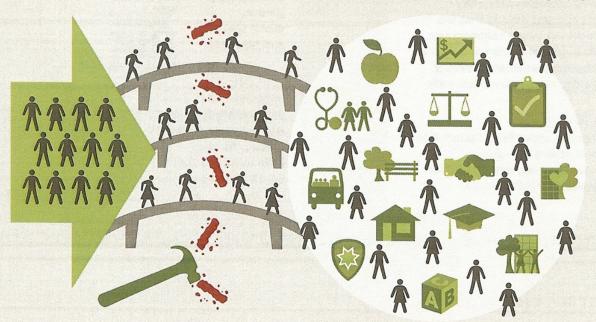

# Social Determinants of Equity

KING COUNTY IS FOCUSING ON REMOVING BARRIERS AND INCREASING ACCESS, SO ALL PEOPLE HAVE THE OPPORTUNITY TO THRIVE.

REMOVING BARRIERS

GREATER ACCESS TO
DETERMINANTS OF EQUITY

## THRIVING PEOPLE AND COMMUNITY

#### HIGHER:

- ON-TIME GRADUATION
- WAGES
- EDUCATED
   AND SKILLED
   WORKFORCE
- QUALITY/ AFFORDABLE HOUSING

#### LOWER:

- HEALTH CARE COSTS
- HEALTH PROBLEMS
- · CRIME
- UNFILLED HIGH-SKILLED JOBS
- INCARCERA-TION

# Opportunity Index

Housing and Neighborhood Quality	Mobility and Transportation	Health and Environment	Education	Economic Health

# **Environmental Scan**

### City of SeaTac:

- Ten square miles in area
- Surrounds the SeaTac International Airport
- Many industries are related to operations and services at Airport

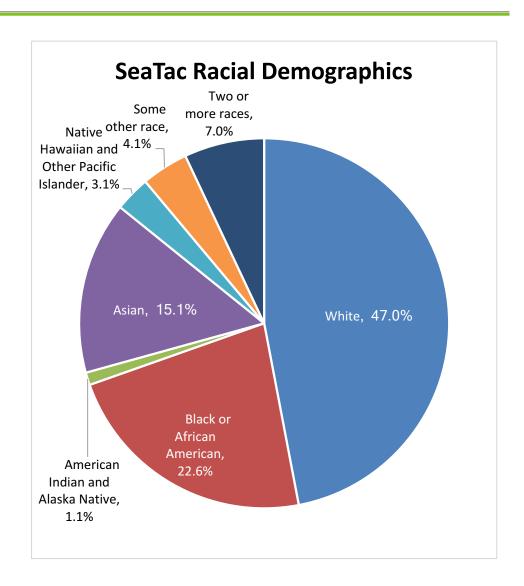

### **Environmental Scan**

## SeaTac's Population:

- Nearly 28,000 residents and growing
- Ethnically and racially diverse
- Younger than average compared to KC
- Higher unemployment and poverty rates

# A Case for Change

#### Needs are increasing and more complex:

- Population uniquely diverse
- Poverty and associated stress one of the biggest contributors to poor outcomes, especially for children

#### Community leaders and members believe:

- Safe, affordable housing Most important factor in an individual's well-being and ability to work or attend school
- Education Another important contributor to economic mobility and health outcomes

# Funding Strategy

#### Current 2017-18 Grant Cycle:

- Funding 26 org's to run 36 programs (\$13,000 average grant) requires significant oversight
- 44 organizations applied; 35% were rejected
- Results-Based Accountability utilized for 6 years

#### **Considerations:**

- Underlying problems are too complex to be solved with relatively modest funding
- Funding IS important match for leveraging other funds

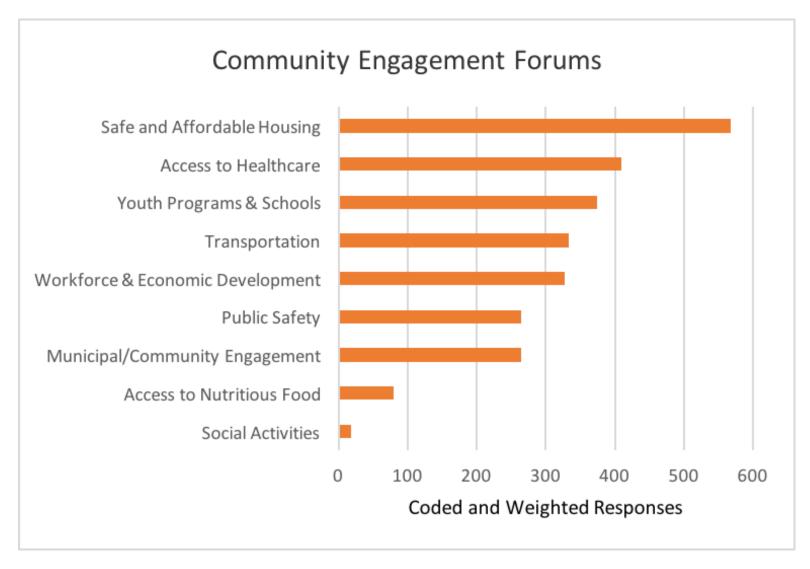

# COMMUNITY NEEDS AND OPPORTUNITIES FOR IMPROVEMENT BY AREAS IDENTIFIED AS PRIORITIES

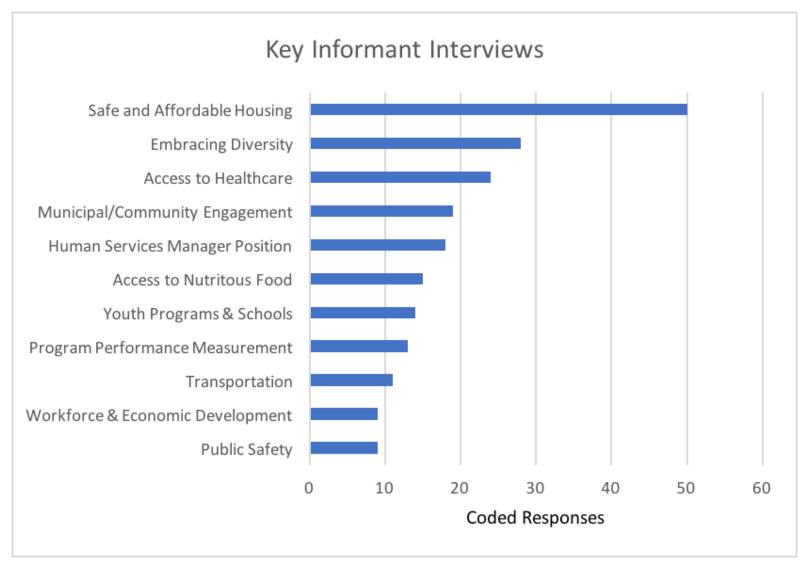

# Forum Participant Priorities

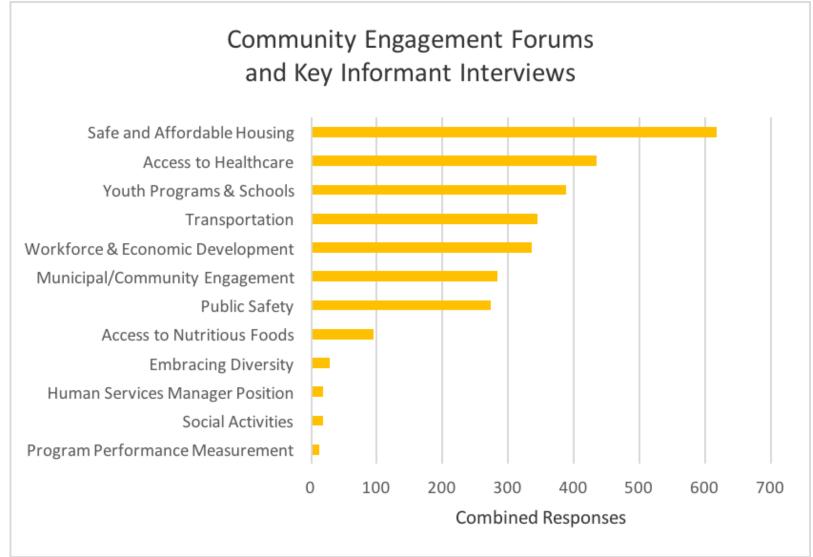

# Community Leader Priorities

### **Combined Priorities**

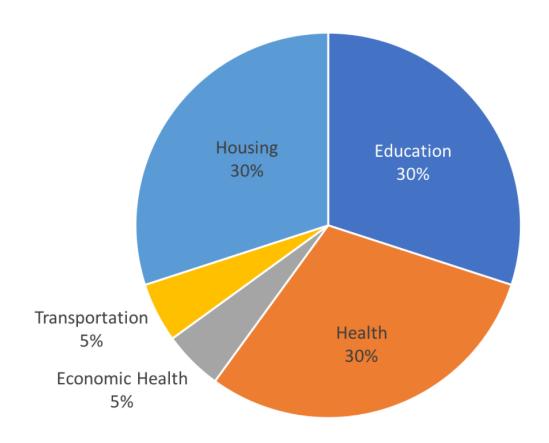

# Option for Funding by Priorities

City of SeaTac Proposed 2019-2020 Human Services Budget by Opportunity Index Area

# HOUSING & NEIGHBORHOOD QUALITY

In 2017, City invested 14% of human services funding in this category

# Housing & Crime Findings

Displacement of existing and long-term residents is growing.

#### Lack of safe and affordable housing at crisis level:

- Homelessness is increasing
- More than 4 in 10 households in SeaTac are cost burdened
- Almost half of SeaTac residents live in aging and substandard rental properties (mold, lead, etc.)

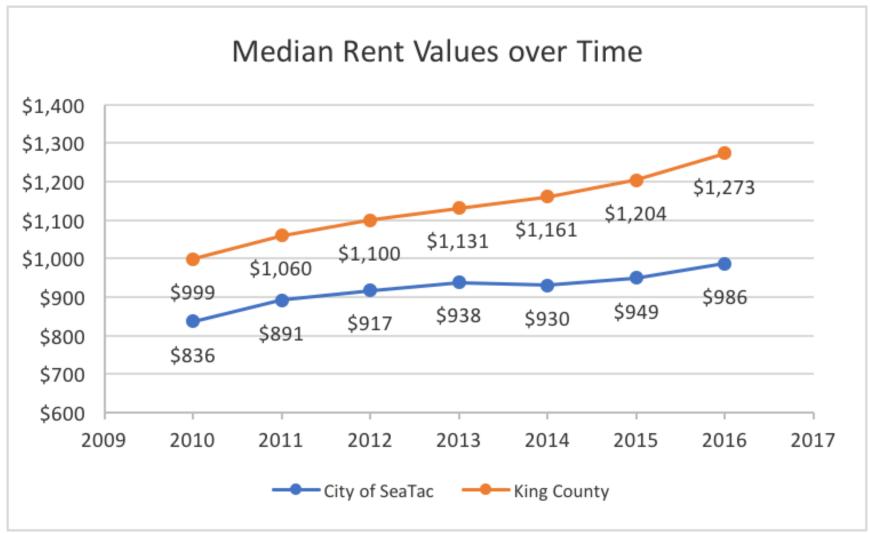

#### Crime rates:

- Remain steady
- Domestic violence assaults are higher in South KC

# Cost of Housing Increasing

# SeaTac's Investment in Housing

#### City's current investment includes:

- Shelter and housing for low-income women and men, women and their children fleeing domestic abuse, and individuals experiencing mental health challenges
- Homeless relocation assistance
- Emergency rent and utilities assistance
- Eviction prevention legal support
- Minor home repair program

# Building on Investment in Housing

#### **Options to Consider**

#### Stay the Course:

- Continue existing programs
- Continue Comprehensive Plan and SKHHP partnerships

### Implement Housing Policy Changes:

- Adopt tenant protections to prevent discrimination
- Develop rental inspection programs
- Consider zoning and land use tools to support development that meets the needs of community
- Participate in KC Regional Affordable Housing Task Force

#### **Increase Funding:**

 Identify gaps and consider investing resources in areas most in need, such as housing for households 30% AMI

# HEALTH AND THE ENVIRONMENT

In 2017, City invested 41% of grant funds on these priorities

# Health and Environment Findings

# SeaTac Health Assistors make a difference.

During the first season of the Affordable Care Act (ACA),

SeaTac outpaced all of King County

in signing residents up for health insurance

# Access to healthcare remains a significant challenge:

- Lowest enrollment rates of health insurance in the county
- Second highest rates of unmet medical needs in the county - many residents don't have a primary doctor

# Health and Environment Findings

#### Higher health risk factors and chronic diseases:

- First in county for adults who don't exercise
- Second in county for being overweight
- Third in county for diabetes

#### Homicide and motor vehicle accident deaths:

SeaTac/Tukwila ranked 7<sup>th</sup> among 26 King County areas

#### Firearm-related deaths:

 Second lowest rates and amongst lowest rates of suicide in King County

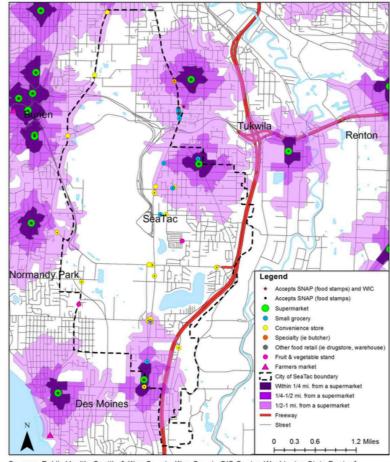

## Health and Environment

#### Proximity to Supermarkets in SeaTac, WA

#### Access to Healthy Food:

- Many residential areas are not within walking distance of a supermarket
- 2x the fast food restaurants and convenience stores as supermarkets, grocery stores and produce vendors combined

Sources: Public Health- Seattle & King County, King County GIS Center, Washington State Dept. of Social and Health Services and Dept. of Health.

\*Food retailers identified by public health permit database (March 2011) and DSHS food stamp retailer database (April 2011).

Made possible by funding from the Department of Health and Human Services and Public Health - Seattle & King County.

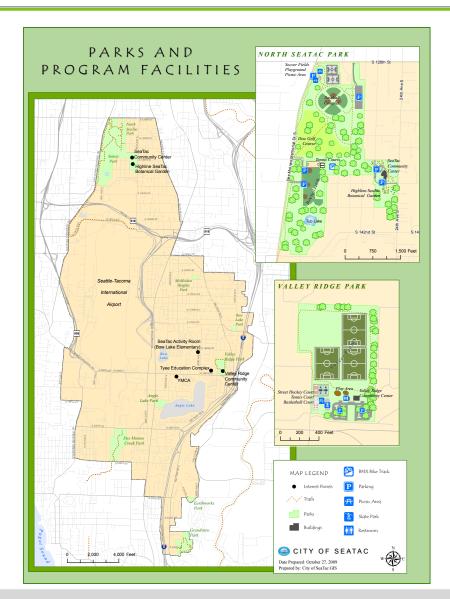

# Health and Environment

Green space increases quality of life.

Household proximity to parks, open green space and rec centers:

- Limited accessible exercise facilities to those with low income
- Few options for outdoor recreation

### SeaTac's Investment in Health

#### City's current investment includes:

- Foodbanks & Meals on Wheels
- Medical, dental and behavioral health
- Services for victims of domestic violence and sexual assault
- Children's therapy services
- Family Service Center
- Enrollment assistors

# Building on Investment in Health

#### **Options to Consider**

#### Stay the Course:

- Continue most existing programs
- Focus on access support health centers serving the uninsured, and those helping people obtain insurance
- Consider expanding community gardens

#### Increase Community Health & Safety:

- Promote physical activity for healthy living through community events/fairs
- Support neighborhood events to help neighbors know one another and feel safer
- Emphasize the hiring of bilingual police officers

# **EDUCATION & YOUTH**

In 2017, City invested 33% of funding in this priority

# **Education Findings**

#### Advanced Degrees:

 19% of SeaTac residents have a Bachelors degree, compared to 29% in King County

#### **Highline School District:**

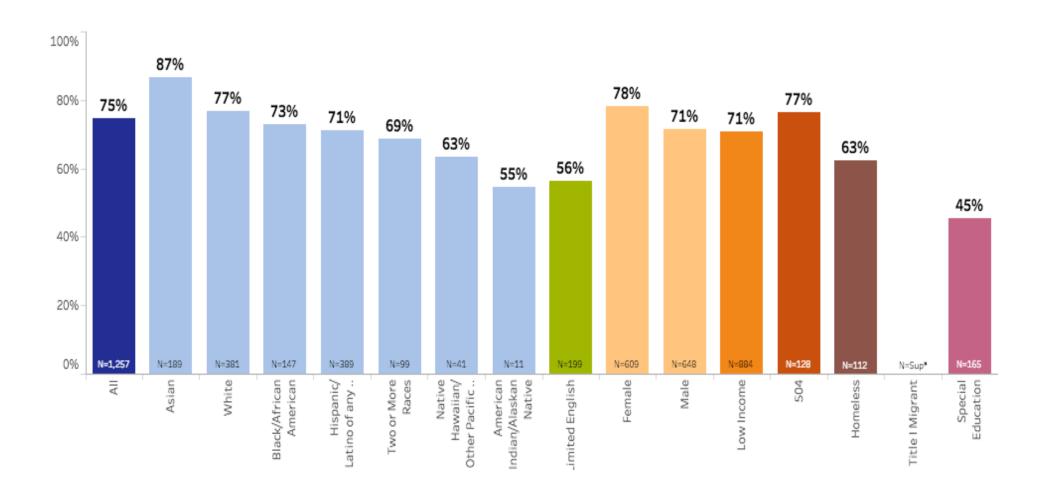

- One of the most diverse school districts in the nation
- 81% of SeaTac students qualify for Free/Reduced Meals
- 95 languages spoken
- District funding for after-school programs has declined
- Graduation and suspension rates are steadily improving
- Teens are eager for more local internship opportunities and jobs

# Highline Graduation Rates Improving

#### On time graduation, by demographic group:

# SeaTac's Investment in Education

# SeaTac offers funding to a variety of programs supporting youth:

- After-school tutoring and enrichment activities
- Basic needs such as snacks/meals, clothing
- Outreach and intervention
- Adult and family literacy services
- Parenting support and childcare
- Recreation opportunities

# New Futures Success Story

#### SW Youth and Family Services, Summer 2017:

- Seven-week program
- 22 partner organizations building literacy and skills

#### **Program Goals:**

- Mitigate summer loss of literacy
- Develop partnership with organizations
- Increase skill building and enrichment activities

# Program Results

"100% of students maintained their reading levels...when you match scores from our New Futures students against the Highline School District, we are able to meet the levels of the district and at times have scored 3% above."

## Building on Investment in Education

#### **Options to Consider**

#### Stay the course:

- Continue funding existing after-school tutoring and enrichment programs for all ages of youth
- Keep emphasis on programs providing basic needs, such as nutritious snacks and meals

"Lack of access to food is being encountered more and more; come to school hungry and even though get food at school, it is not enough."

- school staff member

## Building on Investment in Education

#### **Options to Consider**

## Leveraging City's Leadership:

- Encourage area businesses to provide local internships for teens
- Assist in bridging partnerships among agencies serving youth and family needs
- Seek additional opportunities to collaborate with the Highline School District

## Maintain Funding Level

 Identify underserved populations and target current programming to meet need

# **MOBILITY & TRANSPORTATION**

In 2017, City invested 7% of grant funds in this priority

# **Mobility & Transportation Findings**

#### Unique landscape and geography:

- SeaTac airport and I-5 make it difficult to travel around the City
- Sidewalks, walking/biking trails are lacking on most non-arterial streets

#### Transportation:

- Average vehicles per household is 1.8, about the same as King County
- Mass Transit options are limited and there are barriers to access

## Improving Mobility and Transportation

#### **Options to Consider**

#### Leverage City's Leadership Position:

- Collaborate with local and regional transportation departments to enhance bus transit; pilot alternative transportation options
- Cultivate "shared parking" through creative partnerships with community-based organizations

#### **Investment Opportunities:**

- Explore funding a few discreet pilot projects offering door-to-door transportation for city's most vulnerable
- Support programs and agencies offering free and discounted transit passes and subsidized Uber/Lyft rides
- Consider expanded funding for the taxi script program

# **ECONOMIC HEALTH**

In 2017, City invested 16% of funds were invested in this priority

# **Economic Health Findings**

"We have families, we want our kids to have a better life than we have; we have more in common with our neighbors than differences."

- forum participant

#### SeaTac 2016 Median Household Income:

- About \$48,000, compared to \$79,000 in KC; \$63,000 in WA
   Jobs and Unemployment:
  - Higher unemployment (9.3%) compared to WA (5.4%)
- Most jobs are in hospitality, transportation, warehousing Banking:
- Near 10% of residents do not have bank account (4% in WA)
   Technology:
  - Fewer households w/internet access compared to region

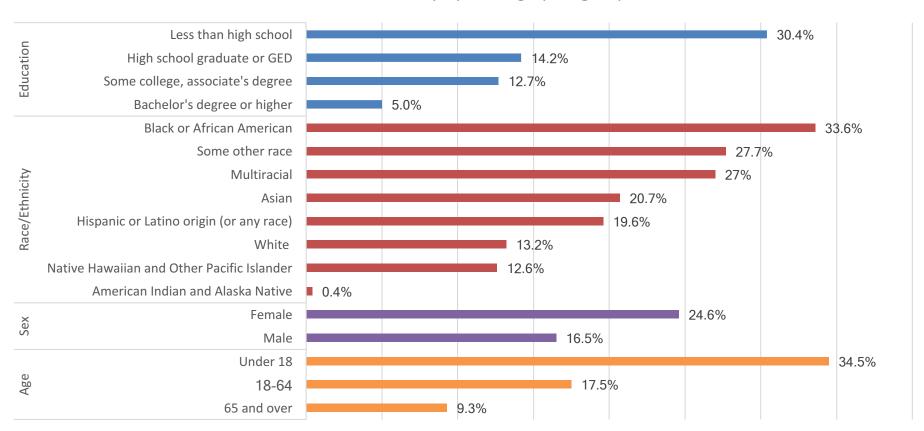

# Incidence of Poverty

# SeaTac has higher poverty rate (18%) than US (15%) and KC (11%)

Rates of Poverty by Demographic group

# Improving Economic Health

### Stay the Course:

 Continue participating in regional workforce development workgroups to influence how state and federal funding is invested in SeaTac

## Leverage City's Leadership:

 Seek to leverage opportunities for job training in partnership with Port of Seattle

## Funding Opportunities:

 Consider only funding job skills training and employment assistance for residents ineligible for county, state, or federal programs

# Affirming SeaTac's Investment

The City is a powerful voice for equity and empowerment of its residents, and

the community values the direct information and referral services provided by the City.
