

## City Manager's Weekly Update

October 22, 2010

**Dear Mayor, Councilmembers, Residents, and Employees:**

**Part 150 Noise Study Public Workshop:** The third in a series of public workshops for Sea-Tac Airport's Part 150 Noise Study will be October 27, 6:30 to 8:30 PM at Mount Rainier High School located at 22450 19th Avenue S., Des Moines. The purpose for conducting a Part 150 Study is to develop a balanced and cost-effective plan for reducing current noise impacts from the airport's operations, where practical, reduce aircraft noise impacts on communities, and to limit additional impacts in the future. The last study in 2004 resulted in a number of amended or new measures to help reduce aircraft noise in the communities near Sea-Tac. Some of those programs included developing a 'fly-quiet' program that encourages airlines to follow the procedures and to choose quieter aircraft to operate at the airport. Another element of the last study was some additional sound insulation and acquisition measures for areas impacted by aircraft noise.

At the workshop, facilitators will lead three group sessions on the following topics:

- Airport-area noise exposure "contour" maps showing neighborhoods currently affected by noise, and those that will be affected in five years, according to the aviation forecast;
- Results from summer 2010 temporary aircraft noise monitoring; and
- The progress on other efforts to reduce noise, including updates on the runway use plan and the hush house analysis.

Workshop participants are invited to take part in all three sessions, and a general public feedback session at the conclusion of the workshop. For additional information, please see the attached flyers that are included in five different languages or visit the Part 150 Study website at [www.airportsites.net/SEA-Part150/](http://www.airportsites.net/SEA-Part150/).

**Yard Debris Collection Event:** Have your grass, leaves and branches composted for free at the City of SeaTac's Fall Event. Limit 3 vehicle loads per household. No rocks, sod, or dirt. No materials larger than 4 inches by 8 feet long.

**Date:** Saturday, October 23

**Hours:** 9:00 AM to 3:00 PM

**Location:** Tyee Educational Complex Parking Lot, 4424 S. 188th Street

**Note:** *Must be a SeaTac resident to attend. Proof of residency is required.*

A food drive sponsored by the SeaTac Domestic Violence Task Force for Highline area food banks will also be held during the Yard Debris Collection Event. Bring canned and non-perishable food, diapers, toilet paper, soap, pet food and laundry detergent. Paper bags and donations are welcome too!

Call Resource Conservation/Neighborhood Programs Coordinator Trudy Olson with any questions at 973.4763.

**SeaTac Fire Assists Burien Fire on Serious Motor Vehicle Accident:** On October 18 at approximately 11:00 PM, SeaTac Fire Engine 47 responded to assist King County Fire District 2 (Burien Fire Department) with a serious motor vehicle accident on State Route 509 near S. 128th Street. A driver was driving the wrong way on SR-509 and collided head on with two other vehicles. The driver of the wrong-way vehicle was able to get out of their car, and then ran across the other lanes of SR-509 and was struck by five other vehicles. The driver of the wrong-way car was killed and five other people were injured, one critically. Patients were treated at the scene by Fire and Medic One personnel and transported to Harborview Medical Center. Washington State Patrol is investigating.

<p>1. 2010 JAG Grant Update - Annette Louie</p>	<p><input type="checkbox"/> Informational Update  <input checked="" type="checkbox"/> Recommended for:  <input checked="" type="checkbox"/> Approval  <input type="checkbox"/> Approval with modifications  <input type="checkbox"/> Denial  <input checked="" type="checkbox"/> Referred to <u>10/12/10 RCM</u>.  <i>Police Captain Annette Louie reported that the City submitted a \$23,511 grant application in June 2010 for a 2010 Edward Bryne Memorial Justice Assistance Grant to fund equipment purchases for the Police Department. This grant program is intended to provide local jurisdictions with up-front financial support for a broad range of activities to prevent and control crime. SeaTac Police would use this funding to further enhance the department's Active Shooting training program, traffic enforcement, and surveillance of illegal narcotics and vice activities operations. Captain Louie noted this grant is awarded up front and the City receives immediate control over the funds, rather than being reimbursed for expenditures incurred. There are no mandatory set-asides, and no required City match. The four year grant period is October 1, 2009 through September 30, 2013.</i></p>

<p>2. Fire Consolidation Update – Brian Wiwel</p>	<p><input checked="" type="checkbox"/> Informational Update  <input type="checkbox"/> Recommended for:  <input type="checkbox"/> Approval  <input type="checkbox"/> Approval with modifications  <input type="checkbox"/> Denial  <input type="checkbox"/> Referred to _____.</p> <p><i>Acting Fire Chief Wiwel reported that SeaTac Fire is moving forward with interim steps toward a contract for services that would enhance present services or provide services that SeaTac cannot or does not currently provide. SeaTac Fire, Kent RFA and Maple Valley Fire District have formed a work group and have developed a training model that will allow all departments to deliver training in a consistent manner without additional cost. Another work group has begun to look at how public education, code enforcement and fire investigations services can be shared. Joint purchasing, emergency management and administrative services are other areas that would be included under a service contract. SeaTac Fire is currently working with the Legal Department to see how the contract would work out. The formation of an Exploratory Committee is also underway. Committee members are being selected and will study the feasibility of an RFA. The first meeting of the Exploratory Committee is scheduled for November 10<sup>th</sup>. Subsequent meetings are planned for the second Thursday of each month.</i></p>
<p>3. Letter of Understanding with City of Tukwila – Brian Wiwel</p>	<p><input checked="" type="checkbox"/> Informational Update  <input checked="" type="checkbox"/> Recommended for:  <input checked="" type="checkbox"/> Approval  <input type="checkbox"/> Approval with modifications  <input type="checkbox"/> Denial  <input checked="" type="checkbox"/> Referred to <u>10/26/10 RCM</u>.</p> <p><i>Acting Fire Chief Wiwel reported that the City of Tukwila approached SeaTac Fire regarding temporary usage of SeaTac’s fire station facilities in the event that severe flooding from the Green River or some other event occurs that renders their fire station and emergency operations facilities useless. A Letter of Understanding has been drawn up that will allow the City of Tukwila to lease empty office space at Fire Station #45 as a temporary location for their ECC and Fire Prevention Staff, and space at Fire Station #46 to locate some of their fire equipment and staff. Facilities Director Pat Patterson came up with a Reimbursement Rate Schedule that is included in the Letter of Understanding for the space that would be temporarily leased by Tukwila at either fire station facility. All use by Tukwila will be contingent upon the City of SeaTac’s needs. A motion authorizing the City Manager to sign the Letter of Understanding will be brought before the council at the 10/26/10 RCM.</i></p>

<p>4. SeaTac has requested the services of the officer on weekends with emphasis being placed on specific parks where there may be a greater presence of animals. The officer will be making contacts to sell licenses and issue citations to owners of unlicensed pets or those who have failed to renew their pet license. The amnesty period for pet license renewal expired on October 1.</i></p>
<p>5. SeaTac Crime Statistics Update – Annette Louie</p>	<p><input checked="" type="checkbox"/> Informational Update  <input type="checkbox"/> Recommended for:  <input type="checkbox"/> Approval  <input type="checkbox"/> Approval with modifications  <input type="checkbox"/> Denial  <input type="checkbox"/> Referred to _____.</p> <p><i>Police Captain Annette Louie distributed copies of SeaTac crime statistics for the months of August and September. The statistics reflected that both Part 1 and Part II crimes decreased. She also provided a summary of park patrol activity for 2010. A total of 81 parking tickets were written and several arrests were made during months of May through September in SeaTac parks.</i></p> <p><i>Captain Louie also reported that the crime mapping system that was being tested by King County IT is now operational. Using this program, citizens can look up crime reports for incidents that have occurred within the City. They are also able to sign up to receive crime alerts via their computer or other portable electronic device. A link to <a href="http://CrimeReports.com">CrimeReports.com</a> has been placed on the SeaTac website. Information about this system will also be placed in the next SeaTac Quarterly Report publication.</i></p>
