

PUBLIC WORKS ROAD MAP

2019

VISION

Public Works is a responsive, progressive leader in delivering and maintaining the services and infrastructure necessary to serve a healthy and growing community.

MISSION

To deliver and maintain safe, quality infrastructure and services that support a proud, healthy and prosperous community.

SUPPORTING CITYWIDE GOALS

CITY OPERATIONS

Continually seek to improve operational efficiencies and maintain infrastructure at a level that generates community pride.

PUBLIC SAFETY

Construct and maintain safe and reliable infrastructure.

LIFELONG LEARNING

Invest in the training and education necessary to maintain an efficient and effective workforce and educate the community on public works issues.

REVENUE AND DEVELOPMENT

Continuously create efficiencies, monitor financial status and seek alternative revenues to facilitate capital improvements and investments in our community.

INFRASTRUCTURE INVESTMENT

Deliver public infrastructure that supports the current and future needs of a thriving community.

COMMUNITY ENGAGEMENT

Seek Public input and involvement in projects and operations to insure community needs are being addressed.

DEPARTMENT GOALS

BE EXCELLENT

Deliver excellent service internally and externally through fostering cooperation and a drive to excel.
