### 9-1-1 System Restored

As of Noon, Friday, December 28, the King County Sheriff's Office 9-1-1 system and ValleyCom, who operates the 911 service for the Puget Sound Regional Fire Authority (SeaTac Fire), report that 9-1-1 services are working normally. However, it is good to retain the below numbers in case the 9-1-1 system is interrupted.

On Thursday, December 27, 2018, a widespread 9-1-1 outage was caused by a malfunction at CenturyLink that affected King County 9-1-1 call centers. For more information click on this [link](#).

As a reminder, **do not call or text unless you are experiencing an emergency**. For more information and King County updates, view their [Twitter](#) page.

## January 4-6, NB I-5 Reduced to Two Lanes For Emergency Repairs

SeaTac residents should be prepared to find alternate routes for lane closures occurring on Northbound I-5 on January 5 and 6. WSDOT will be conducting emergency repairs to expansion joints. In addition to the freeway lane closures, residents should expect increased traffic on major SeaTac arterials as drivers seek alternate routes to I-5.

### Northbound I-5 Closure Details: Three right lanes closed

The three right lanes will be closed from 10:00 PM on Friday, January 4, to 11:59 PM Sunday, January 6. The following on-ramps to northbound I-5 will also be closed:

- Southcenter Boulevard
- I-405 HOV only
- Interurban Avenue

### Know Before You Go:

People who drive in this area should expect heavy traffic and delays during this period.

- Consider taking a carpool, vanpool, or public transportation.
- For the latest traffic information, visit WSDOT's Seattle Traffic [page](#), mobile [app](#), and follow [@WSDOT\\_Traffic](#) on Twitter.

A second closure will occur on a yet to be determined weekend in February. For more information click [here](#).

## Recology Holiday Tree Recycling & New Years Holiday Collection Schedule

Recology CleanScapes will collect unflocked, undecorated, natural trees in lengths up to four feet.

Customers who subscribe to food and yard waste collection service may place trees out for collection on their regularly scheduled food/yard waste collection day. Residential customers who do not subscribe to food and yard waste service may schedule collection of properly prepared trees during the first two full weeks in January at no additional charge.

Flocked trees are not accepted in compost collection because flocking contains non-compostable materials including adhesives, flame retardant, or additives. Flocked trees may be disposed as garbage for an additional fee.

Contact customer service at 206.767.1166 or at [Seatac@recology.com](mailto:Seatac@recology.com) by Friday, January 4, to schedule tree collection. For more information on tree recycling, click [here](#).

# Public Works Project Updates

## Military Road South and South 152nd Street

Improvements for this road reconstruction and safety project include construction of bike lanes, curbs and gutters, sidewalks, new pavement, installation of street lighting, upgraded and interconnected signalization with pedestrian crossings, construction of a right turn lane on Eastbound South 152nd Street, and the elimination of the skewed intersection at Tukwila International Boulevard and Military Road South.

## Restoration Work – South 188th Street

Preparation is ongoing to restore pavement, curbs, gutters, and sidewalks in front of the new Hilton Garden Hotel (currently under construction) at 3056 South 188th Street. The restoration work will require lane closures on South 188th Street east of International Boulevard. Appropriate notifications, traffic control measures, and off-duty officers (as required) are being used to manage traffic through this work area.

## South 200th Street Shared Use Path

This project includes building a new separated shared use path along South 200th Street, between 12th Place South and the Des Moines Creek Trailhead. The Project will provide pedestrian connections to street improvements that will be constructed at the intersection of Des Moines Memorial Drive South and South 200th Street, and a connection to existing pedestrian and bicycle facilities accessing the Angle Lake Light Rail Station.

## 12th Place and 13th Avenue South Overlay Project

The scope of this project includes pavement repair, asphalt paving, and stormwater improvements on 12th Place South and 13th Avenue South between South 200th Street and South 207th Street, and South 207th Street between 12th Place South and 14th Avenue South. Highline Water District (HWD) water main replacement work is almost complete.

## South 166th Street “Safe Routes to School” Project

This “Safe Routes to School” grant-funded project includes construction of sidewalks, curbs and gutters, storm drainage facilities, installation of an enhanced crosswalk, pedestrian lighting, and radar speed feedback signs. Construction has begun.

## Military Road South between South 209th Street and the I-5 Bridge; and South 200th and 26th Avenue South Intersection

This project will reconstruct Military Road South between South 209th Street and the I-5 Bridge. Work will include rubblization of the existing concrete road in place and overlaying with hot mix asphalt, construction of storm water improvements, addition of pedestrian facilities and bicycle lanes, and signal upgrades. **Final paving has been delayed until early spring due to inclement weather.**

# Public Works Project Updates

## Tukwila—42nd Avenue South Project

Construction on 42nd Avenue South includes new street improvements, drainage, curbs, gutters, and driveway adjustments. It will also bring new sidewalks and bike facilities to this important residential corridor, as well as undergrounding of the various utility wires along 42nd Avenue South. The project includes building a new culvert at Gilliam Creek that will make the stream crossing fish-passable and improve roadway safety. **Further information can be accessed [here](#).**

## Private Development

- Expect traffic impacts and lane closures on Northbound International Blvd at South 173rd Street as work continues on the Hyatt Place Hotel.
- Traffic will be impacted on 29th Avenue South as work on the Vintage Retirement Homes continues.
- Two projects, the Copper River Development and the Wingate Hotel along Southbound International Boulevard near South 190th Street, will have minimal traffic impacts.
