

# City of SeaTac Transportation & Public Works

January 17<sup>th</sup>, 2019 – Federal Way Link Extension

**SOUND TRANSIT**

# How We Prioritize Operational Issues

1. Public Safety
2. Service
3. Customer Access

# How Are Things Different?

- Full-time Vertical Conveyance Manager
- Additional KC Metro Field Staff
- Improving Parts Inventory and Availability

# Improved Communications Protocol

Within 48 hours

1. Assess
2. Notify City
3. On-site Notification
  - Out of service
  - Timeline for repairs

# Angle Lake Garage Façade

## **Rider Alert** Angle Lake Parking Garage Façade Work

Work expected to start Jan. 7, 2019 and continues through June 2019.

Signs and barriers will guide people around work zones. This work will block off parking stalls at times.

**Work Days/Hours: Monday – Friday, 7 a.m. – 3 p.m.**

For questions about the project, please call Jefferson Rose at (206) 370-5568 or email [jefferson.rose@soundtransit.org](mailto:jefferson.rose@soundtransit.org).

For issues that need immediate attention after normal business hours, call Sound Transit's 24-hour Construction Hotline at 1-888-298-2395.

Thank you for your patience.

# Example: Notification of Maintenance Work

## Link Light Rail

### CONSTRUCTION ALERT

January, 2019

### Overnight maintenance work

As early as January 20, 2019, Sound Transit will be grinding and polishing rails along Link light rail tracks from the SeaTac / Airport Station to S. Boeing Access Road. The work will improve safety, reduce long-term maintenance costs, reduce noise and vibration, and produce a smoother rail surface. Sound Transit expects this work to take up to 12 nights over a nine-week period. The schedule may vary depending on rail conditions.

#### What to expect:

- › Work will occur from 9pm-4am Sunday through Thursday, and will not occur on Friday or Saturday nights.
- › Noise, rail-grinding machines, refueling vehicles, generators and construction crews.
- › A large vehicle equipped with grinding wheels will travel slowly down the tracks.
- › Construction crews monitoring the safety and progress of work.

#### Stay informed

For more information about this maintenance project, please call Jefferson Rose at (206) 370-5568 or email [jefferson.rose@soundtransit.org](mailto:jefferson.rose@soundtransit.org). For issues that need immediate attention after normal business hours, call Sound Transit's 24-hour Construction Hotline at 1-888-298-2395.
