Kids Eat Free All Summer

It is summer break once again, and that means kids can eat free breakfast, lunch, and snacks thanks to the federally-funded Summer Food Program. Kids do not need to be Highline Public School students to participate.

Meals will be free to children 18 and younger. Registration is not required—there are no forms to fill out, and no names are written down. Just remember that food cannot be taken off of the premises.

Meal service is planned for the SeaTac sites listed below, and other locations are listed [here](#).

Meal times are subject to change. The most current information will be available on the Highline School District [website](#). Please note all sites will be closed on July 4 in observance of Independence Day.

Highline Heritage Museum Ribbon Cutting

On June 14, I along with Councilmembers Stanley Tombs, Peter Kwon, Joel Wachtel, and Clyde Hill attended the ribbon cutting for the Highline Heritage Museum.

The Highline Heritage [Museum](#) showcases exhibits from several cities served by the Highline School District. While entering the museum, visitors are greeted by a City of SeaTac sponsored life-size replica of the megalonyx jeffersonii (Giant Sloth) discovered during the construction of Sea-Tac Airport. Visitors are given maps to where it was discovered. There is also an entire section dedicated to the City of SeaTac complete with a neon sign from the iconic SeaTac eatery, Dave's Diner.

The Highline Heritage Museum opened June 14, 2019 and is located at 819 Southwest 152nd Street in Burien. To learn more about the museum or see the hours of operation click [here](#).

Association of Washington Cities Conference

This week, I along with City Councilmember Peter Kwon and Deputy Mayor Clyde Hill attended the Association of Washington Cities Conference.

Representatives from 148 cities and towns across Washington were in Spokane this week for the AWC Annual Conference, where more than 500 city leaders and others gathered to discuss the issues facing our cities.

In addition to the Business Meeting, we attended presentations on pressing city issues including affordable housing, rate setting, public records, and effective leadership.

Deputy Mayor Hill proudly carried the City of SeaTac flag during the opening of the conference.

Captain Kyle Ohashi Retires

This week, Captain Kyle Ohashi retired from the Puget Sound Regional Fire Authority (PSRFA).

Captain Ohashi has served as the Public Information Officer for the PSRFA for the last 15 years. He was often at the scene of fires in SeaTac acting as a spokesperson and connecting fire victims with resources such as the American Red Cross.

We thank Captain Ohashi for his dedicated service to the City and region.

SeaTac Officially Joins Business Licensing Service (BLS)

On June 13 the City of SeaTac joined the State Business Licensing Service (BLS). SeaTac businesses can now access the combined one-stop licensing service for agency and city registrations. SeaTac is one of almost 100 Washington cities now partnered with BLS.

Major Traffic Detour on Des Moines Memorial Drive

The City of SeaTac Public Works Department is working to improve Des Moines Memorial Drive South for residents, freight traffic, and commuters by grinding and overlaying new asphalt pavement along the roadway this summer. The construction project will begin on Monday, June 3, and is estimated to be completed by Friday, October 2, 2019.

During the four-month construction period, crews will be shutting down lanes along Des Moines Memorial Drive South between South 128th Street to South 136th Street. Drivers are advised to find alternate routes around the area, as these lane closures will impact drivers who utilize this stretch of roadway.

King County Metro will be closing bus stops located along the affected route during the duration of the project. Stops #50010 and #49400 will remain open.

King County Metro is placing temporary stops near South 128th Street and South 136th Street outside of the construction limits for customers to use during the project. Visit King County Metro's [website](#) for additional information.

STOP	LOCATION (OPEN)
50010	Des Moines Memorial Drive & South 128th Street
49400	Des Moines Memorial Drive & South 136th Street

STOP	LOCATION (TEMPORARILY CLOSED)
49430	Des Moines Memorial Drive & South 128th Street
49420	Des Moines Memorial Drive & South 132nd Street
50020	Des Moines Memorial Drive & South 132nd Street
49410	Des Moines Memorial Drive & South 134th Street
50030	Des Moines Memorial Drive & South 134th Street

In addition to the new asphalt pavement, the City will be upgrading the roadways with multiple safety improvements for pedestrians. The City will be installing:

- New curb ramps for wheelchairs and bicyclists
- New pedestrian signals to make it easier for people to cross the street safely
- New push-button crosswalk signals at the intersections to meet current Americans with Disabilities Act (ADA) standards
- New traffic detection systems at stoplights in order to alert the signal when cars are waiting, which will improve traffic flow

Additionally, crews will be replacing and upgrading the stormwater infrastructure. New catch basins will be installed along with larger replacement stormwater pipes. A stormwater quality treatment vault will be installed within the existing system. These upgrades will improve stormwater flow and limit the amount of flooding along the roadway during heavy rainfall.

Lifeguards On Duty all Summer at Angle Lake

Starting Monday, June 24, Angle Lake Park will have a full team of lifeguards on duty from 12:00 PM to 8:00 PM. Due to a nationwide shortage of lifeguards two summers ago, we were unable to find guards for Angle Lake Park. Last summer, we had them at the park five days a week.

This summer we will have guards every day of the week through September 3 (Labor Day). This will include four guards Monday through Friday and five guards scheduled on Saturdays and Sundays. More guards are available for when the weather is especially hot.

This will significantly increase the safety of swimmers at the park. In addition, there will be a full team of seven lifeguards on duty from 12:00 PM to 8:00 PM for our annual Family 4th of July Celebration.
