

Mini-Pitch Opening Celebration

On Wednesday, August 28 at 2:00 PM, we will be celebrating the opening of the new Mini-Pitch field at Valley Ridge Park. Mini-pitches are small, customized areas perfectly suited for soccer pick-up games.

The RAVE Foundation selected Tye High School and Valley Ridge Park as the beneficiary of the 2019 Adopt-A-School program, which funded this project. The renovation project included resurfacing the existing playing surface, upgrading the perimeter fencing, and installing logos of the partners for this project.

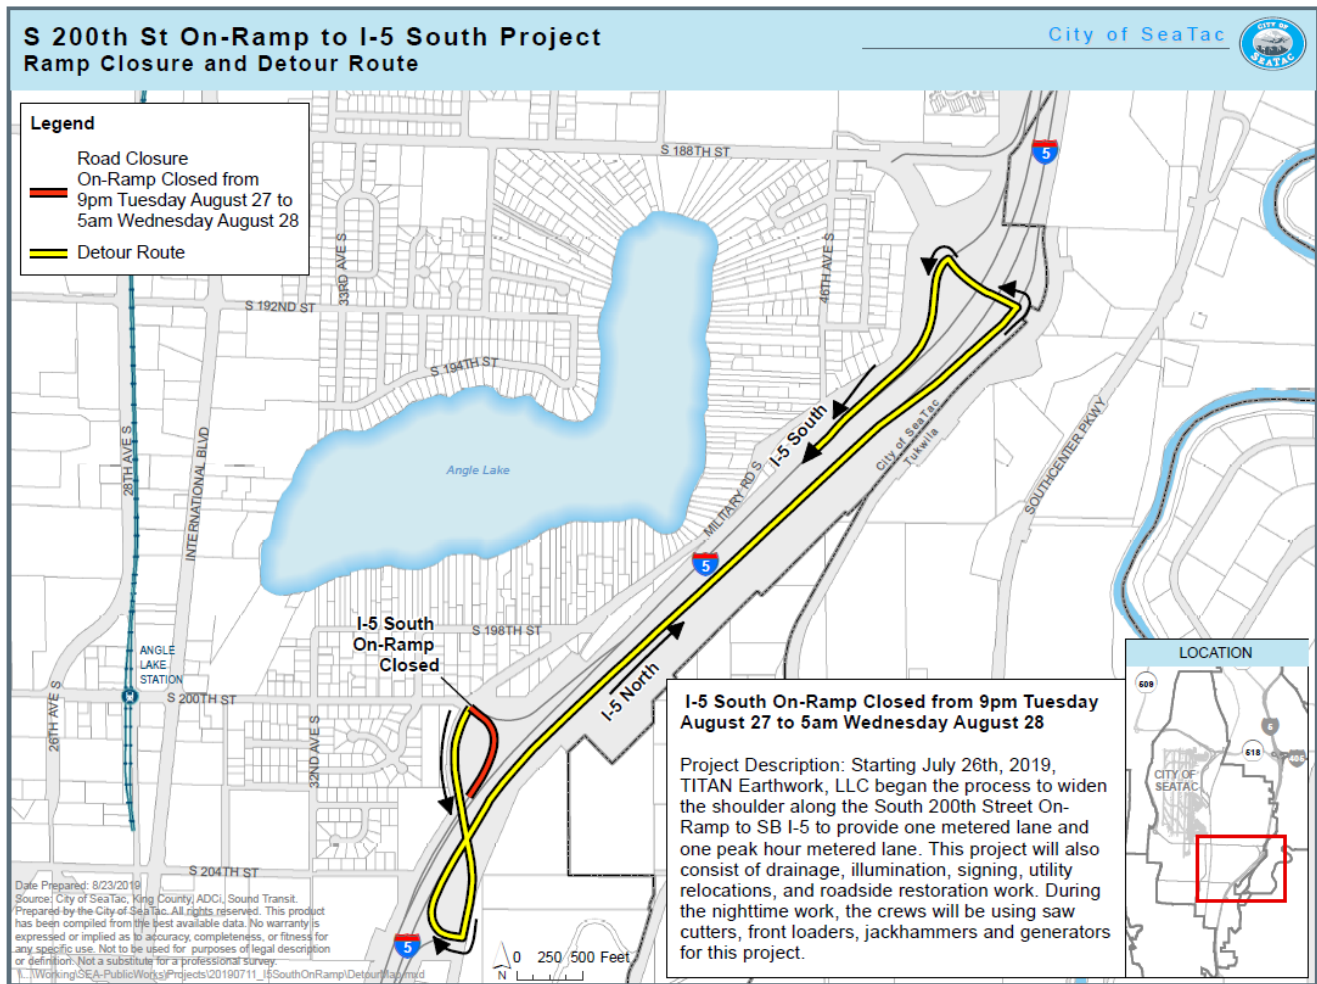

The opening celebration will include a few words from key partners, including City of SeaTac Deputy Mayor Clyde Hill, a representative from the Seattle Sounders, and a representative from Delta Airlines.

There will be free giveaways, ice cream, and organized activities courtesy of the Rave Foundation.

S. 200th St. On-Ramp Closed Tuesday Night, August 27

The City of SeaTac Public Works Division is working in collaboration with the Washington State Department of Transportation to make improvements to the on-ramp to S. 200th St. **This Tuesday, August 27, through Wednesday morning, August 28, the on-ramp to southbound I-5 at S. 200th Street will be closed for construction.** A detour will be in place to direct traffic south on Military Road S. to I-5 North. Drivers will be asked to exit at S. 188th Street and cross under the freeway and enter the onramp to Southbound I-5.

Construction crews will be widening the shoulder along the S. 200th Street on-ramp to construct one metered lane and one peak-hour metered lane. In addition, crews will be improving drainage, signage, and lighting, and will also be relocating utilities. After this closure, the metered shoulder ramp will begin operation on Wednesday, August 28.

During the nighttime, construction crews will be utilizing saw-cutters, jackhammers, generators, and front loaders for this project.

The project timeline is subject to weather conditions.
