**WRITTEN AGREEMENT AMENDING EXHIBIT 3 OF
THE KING COUNTY/SEATAC INTERLOCAL AGREEMENT**

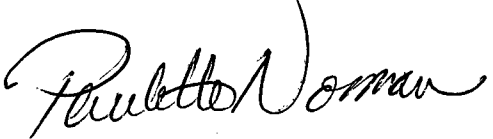

TIME: _____
CITY CLERK'S OFFICE

This written agreement amends Exhibit 3 of the Interlocal Agreement Between King County and the City of SeaTac for Provision of Roads Services ("Agreement") to include all road-related services as other services provided to the City by the County upon the City's request in accordance with Section 2 of the Agreement. This amendment deletes current Exhibit 3 and replaces it with the following:

The following are examples of services provided by the County. Actual services provided will be those requested by the City. Upon receipt of a service request, the County shall review the request and notify the City whether it will provide the requested service. The City shall set its own service level standards and policies for all roadway features. The County is merely a contractor for the purpose of implementing City roadway service standards and policies.

1. Inspection and reporting as required by the Federal Government for any City owned bridges.
2. Review of plans, specifications, and shop drawings for traffic control devices and street lighting systems.
3. Testing of control cabinets for traffic control device systems.
4. Inspect traffic management systems per WAC 296-46B-010.
5. Inspect street lighting systems to be maintained by King County.
6. Traffic signal and stop sign warrant analysis.
7. Traffic engineering support services.
8. Provide traffic signal and control cabinet upgrades.
9. Install new striping and new street signage. Prepare and update a log of street signs.
10. Analysis of street lighting levels.
11. Quality control/quality assurance construction materials testing.

Section 2 of the Agreement states that Exhibit 3 may be amended from time to time by a mutual, written agreement of the County Road Engineer and City Manager and such written agreement shall be appended to the Agreement. This written agreement shall be effective on the last dated signature.

AN INTERLOCAL AGREEMENT BETWEEN
KING COUNTY AND THE CITY OF SEATAC FOR
PROVISION OF ROADS' SERVICES

This agreement is made and entered into this day by and between the City of SeaTac, hereinafter called "City," and King County, hereinafter called "County."

WHEREAS, residents of the unincorporated King County area known as SeaTac have voted to become an incorporated city, and

WHEREAS, the City desires to provide quality road maintenance and traffic control services for its residents from the date of incorporation, and

WHEREAS, the City will not have the organization and personnel to provide such services for some period of time after incorporation, and

WHEREAS, the County is able to provide such roads and traffic services for the City, and

WHEREAS, it is in the public interest that the jurisdictions cooperate to provide effective and cost efficient transportation services, and

WHEREAS, pursuant to RCW 39.34, the Interlocal Cooperation Act, the parties are each authorized to enter into an agreement for cooperative action;

NOW THEREFORE, the County and City hereby agree:

1. Base Level Services. The County will provide roadway and traffic maintenance services, as identified in Exhibit 1 and 2, within the City limits, rendering such services at the same level, degree and type as is customarily provided by the County in unincorporated King County, as generally described in the goals identified in the King County Manual for Roads Maintenance Management, Chapters 3 and 6.
2. Discretionary Services. At the request of the City, the County will provide discretionary services listed in Exhibit 3. Exhibit 3 may be amended from time to time by a mutual written agreement of the County Road Engineer and the City Manager. The amendment shall be appended to this agreement. The City's requests for discretionary services will be converted to work orders by the appropriate County liaison. Such work orders will be reviewed by the County liaison with the City liaison prior to scheduling the work.
3. County and City Coordination. The County will identify specific liaisons for both roadway and traffic maintenance services to handle day-to-day operational problems related to basic and discretionary services. The City will identify a liaison for the same purposes. Emergency work to protect public safety and/or property will be handled as the County liaison deems necessary. Emergency work may include, but is not limited to, snow and ice control, slide removal, flood damage to roads and road rights-of-way. The City liaison will be informed within twelve hours of the occurrence.

A & C FILE # 1022
DATE 4-10-90/gmc
CO. King County

Citizen inquiries shall be handled pursuant to the administratively adopted King County Citizen Action Request process (see Exhibit 4 for request form).

4. Personnel and Equipment.

A. The County is acting hereunder as an independent contractor so that:

1. Control of personnel standards of performance, discipline and all other aspects of performance shall be governed entirely by the County;

2. Except as described in 4C below, all persons rendering service hereunder shall be for all purposes employees of the County;

B. The County shall furnish all personnel and such resources and materials deemed by the County as necessary to provide the level of roadway and traffic services herein described.

C. In the event the County uses contract services to perform one or more of the basic or discretionary services for the City, the appropriate supervision and inspection of the contractor's work will be performed by the County.

5. Compensation.

A. Costs. In consideration for both base and discretionary services provided by the County as set forth herein, the City promises to pay the County for actual costs, (including direct labor, employee benefits, equipment rental, materials and supplies, utilities, permits) and annual administrative overhead costs. The County will report monthly on roadway and traffic maintenance services provided by major category as listed in Exhibits 1 and 3.

B. Billing. The cost of services will be billed monthly. The monthly bill will reflect actual costs plus the annual administrative overhead rate, which is 28 percent in 1990. Payments are due within 30 days of invoicing by the County.

C. Extraordinary Costs. The City shall be responsible for any extraordinary costs resulting from the City's decision to modify services.

6. City Responsibilities. In support of the County providing the services described in Sections 1 and 2 above, the City shall:

A. Confer hereby the authority on the County to perform the roads and traffic maintenance services within the City limits for the purposes of carrying out this agreement.

B. The City agrees that when the County provides engineering and administrative services for the City, the County Road Engineer may exercise all the powers and perform all the duties vested by law or by resolution in the City Engineer or other officer or department charged with street administration.

C. The City will adopt by reference all of the County codes necessary to provide authority for the County to perform the services of this contract, for example, road standards, speed limits, and parking regulations.

7. Duration. This Agreement is effective on February 28, 1990, provided the agreement has been duly authorized and signed by both parties. The agreement shall renew automatically from year-to-year unless either party provides written notice by April 1 of its intent to terminate the agreement effective January 1 of the next calendar year. Both parties agree to commence by June 30, 1990 work on a transition plan to provide for an orderly transition of selected responsibilities from the County to the City on January 1, 1991.

8. Indemnification:

A. In executing this agreement, the County does not assume liability or responsibility for or in any way release the City from any liability or responsibility which arises in whole or in part from the existence, validity or effect of city ordinances, rules or regulations. In any such cause, claim, suit, action or administrative proceeding is commenced, the City shall defend the same at its sole expense and if judgment is entered or damages are awarded against the City, the County, or both, the City shall satisfy the same, including all chargeable costs and attorney's fees.

B. The County shall indemnify and hold harmless the City and its officers, agents, and employees, or any of them, from and against any and all claims, actions, suits liability, loss, costs, expenses, and damages of any nature whatsoever, which are caused by or result from a negligent act or omission of the County, its officers, agents, and employees in performing services pursuant to this agreement.

In the event that any suit based upon such a claim, action, loss, or damage is brought against the City or the City and the County, the County shall defend the same at its sole cost and expense; and if final judgment be rendered against the City and its officers, agents, and employees or jointly against the City and the County and their respective officers, agents, and employees the County shall satisfy the same.

C. The City shall indemnify and hold harmless the County and its officers, agents, and employees, or any of them, from and against any and all claims, actions, suits, liability, loss, costs, expenses, and damages of

any nature whatsoever, which are caused by or result from a negligent act or omission of the City, its officers, agents, and employees.

In the event that any suit based upon such a claim, action, loss, or damage is brought against the County or the City and the County, the City shall defend the same at its sole cost and expense; and if final judgment be rendered against the County, and its officers, agents, and employees or jointly against the County and the City and their respective officers, agents, and employees the city shall satisfy the same.

9. Non-discrimination. The County and the City certify that they are Equal Opportunity Employers. The County has developed and implemented Affirmative Action Programs in accordance with the guidelines in Revised Order 4 of the United States Department of Labor. The City will develop and implement Affirmative Action Programs which meet the applicable federal standards.

10. Audits and Inspections. The records and documents with respect to all matters covered by this contract shall be subject to inspection, review or audit by the County or City during the term of this contract and three (3) years after termination.

11. Amendments. The Agreement may be amended at any time by mutual written agreement of the parties.

12. Entire Agreement. The parties agree that this Agreement is the complete expression of the terms hereto and an oral representations or understandings not incorporated herein are excluded.

13. Contract Administration. The parties shall each appoint representatives to review contract performance and resolve problems which cannot be dealt with by the County's and City's liaisons. Each party shall notify the other in writing of its designated representatives. The representatives from the County will include the Roads Division and the Office of Financial Management. The contract administrators will meet at least quarterly, with either party authorized to call additional meetings with ten days written notice to the other.

Any problem which cannot be resolved by the parties' designated representatives shall be referred to the City Manager and the King County Director of the Public Works Department for settlement.

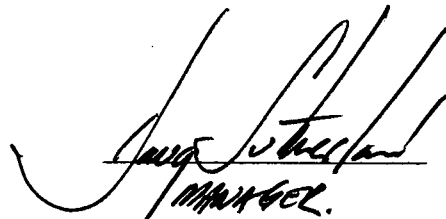

14. Invalid Provisions. If any provision of this contract shall be held invalid, the remainder of the agreement shall not be affected thereby if such remainder would then continue to serve the purposes and objectives of the parties.

IN WITNESS WHEREOF, the parties have executed this agreement.

EXHIBIT I

Base Level Services

King County will provide roadway and traffic maintenance services within the city limits of SeaTac at the levels described in Section 1 of the agreement as follows:

Roadway Maintenance

1. Traveled Way/Roadway Surface: Patching, crack pouring, prelevel, pavement replacement, grading, and dust control.
2. Shoulders: Restoration construction, paving, curb and gutter repair, restoration, spraying, and extending pavement edge.
3. Drainage: Installation of drainage pipe, curb, catch basins, culvert headers/trash racks; hand ditching, drainage pipe repair, catch basin, man-hole cleaning, blade ditching/shoulder pulling, drainage systems cleaning, pipe marking drainage preparation, catch basin repair, culvert header/trash rack replacement and repair, bucket ditching, catch basin replacement, erosion control, catch basin/manhole cover replacement, silt removal, Ditchmaster ditch cleaning.
4. Structures: Installation of rock, gabion and rip-rap walls, guardrails, fencing, median barrier walls; bridge tending, rock wall repair or replacement, guidepost installation, guardrail repair, retaining wall repair, median barrier replacement, guardrail post removal, fencing repair, bridge repair.
5. Traffic and Pedestrian Facilities: Concrete sidewalk installation; sidewalk/walkway repair, hazardous material cleanup, street sweeping, street flushing, snow and ice control, traffic control barricades.
6. Roadside: Landscape restoration; slope/shoulder mowing, litter pickup, hand brushing, danger tree removal, landscape maintenance, slide removal, ornamental tree maintenance, tree trimming, hand mowing, roadside and spraying, tansy ragwort spraying, washout repair.

Traffic Maintenance

1. Sign Maintenance: Replacing faded sign faces and rotten posts, straightening leaning posts, cleating uncleated posts, relocating signs for visibility or pedestrian safety, maintenance of vandalized signs or signs damaged by vehicle accidents, inspection of signs to check for reflectivity, cutting or trimming bushes or limbs blocking visibility, removal of signs when appropriate.
2. Crosswalks: Refurbishing with thermoplastics and temporary tape, and removal when appropriate.

3. Stop Bars: Refurbishing with thermoplastics and temporary tape, and removal when appropriate.
4. Arrows/Legends: Remarketing worn arrows, removing when appropriate.
5. Curb Painting: Maintenance of curbing, islands, and parking stalls.
6. Buttons: Removal and replacement of buttons or rumble bars.
7. Stripping: Painting linear road stripes on pavement, such as centerlines, edge lines, radius and channelization, and removal of line, stripes or symbols from the pavement.
8. Street lights: Replacement of light bulbs in existing street lights not maintained by power companies, repair and replacement of street light heads, poles or wiring.
9. Utility locating: Locating underground traffic facilities for utilities or other digging operations.
10. Signal Maintenance: replacing and cleaning light systems for signal and flasher displays and signs, installation and repair of vehicle detector loops, checking and adjusting signal timing, examining traffic signal operation to assure it is operating as intended, inspecting hardware for wear or deficiencies, testing and repairing of electronic control devices and components, repair or replacement of signal and flasher displays, supports or wiring external to controller cabinet, modification of controller cabinets, testing of new and modified cabinets and control devices, traffic counter testing and repair and preventative maintenance.
11. Flasher/crosswalk preventative maintenance: examining to assure equipment is operating as intended and inspecting hardware for wear or deficiencies.

Discretionary Services

King County will provide road discretionary services within the city limits of Federal Way at the same level, degree and type as is customarily provided by the County in unincorporated King County as follows:

- Inspection of construction by utility companies to ensure that road restoration is done to County/City standards.
- Annual inspection and reporting for the bridge over Miller Creek as required by the federal government.
- Continuously update approximately 7 engineering section maps within the city boundaries to reflect new roadways and plats.
- Complete the research and recommendations for any road vacations filed prior to the date of incorporation.
- Overlay for the following roads:
