

Happy Thanksgiving

City Hall, the Community Center and all City Facilities will be closed on Thursday, November 28, and Friday, November 29, for the Thanksgiving Holiday.

SeaTac Senior Program Annual Thanksgiving Day Luncheon

SeaTac celebrated Thanksgiving with all the fixings at the SeaTac Community Center with its annual senior holiday lunch.

Volunteers and City staff served lunch to the 180 plus seniors while they were entertained by The Hanky Panky Band. There was also a raffle for gift baskets and other prizes. Thanks to everyone who was able to attend and also to all of our dedicated volunteers and City staff who helped make this an amazing afternoon.

City Staff Respond to Call for Help

In response to a Tyee High School Alumni Booster Club Facebook post stating that Tyee was asking the community for donations of non-perishable snacks for the students, a City employee, who is also a Tyee Alumnus, placed a collection box at City Hall. City staff responded by donating non-perishable snacks from a suggested list of popular items and will periodically hold drives in the future.

SeaTac Raises Money and Awareness for Movember

The City of SeaTac Wellness Committee is supporting Movember through collecting donations for Movember. Men in the City have been growing beards and mustaches in support of the effort. The City has held a series of fundraising events including a bake sale and a homemade soup lunch. The Movember Foundation is saving and improving men's lives through projects focused on prostate cancer, testicular cancer, mental health and suicide prevention.

Citizens Advisory Planning Committee

The Citizens Advisory Planning Committee (CAPC) is the primary component of citizen participation in the planning processes of the Puget Sound Regional Fire Authority (RFA). The CAPC is an extension of the RFA Governance Board with responsibility to review, validate, gather, and provide citizen input on strategic deployment and planning documents for the RFA, and work with the RFA staff to develop recommendations to the RFA Governance Board.

The CAPC may also provide additional input, feedback, and guidance to the RFA staff and RFA Governance Board on issues critical to developing a strong relationship between the community and the RFA.

Mission of CAPC:

- Learn about Puget Sound Regional Fire Authority
- Listen to our community as representatives of assigned station areas
- Act as a conduit to the RFA Governance Board

Purpose of Meetings:

- Communicate the RFA's purpose and programs to the community
- Increase the RFA's visibility, credibility, and importance to the community
- Assess and provide advisory recommendations on community needs and resources
- Provide feedback from different perspectives
- Provide an open forum for public discussion on the RFA's related issues

For more information, click [here](#), or email [Kristi Weaver](#), Staff Liaison, or [Larry Rabel](#), Division Chief of Assessment and Planning.

Around 7:30, on November 17, several deputies and two sergeants were dispatched to assist to Puget Sound Regional Fire Authority (PSF) at an address in the north end of SeaTac. Police assistance was requested because the initial reports to PSF indicated a case of excited delirium. Excited delirium is a temporary disorder of the mental faculties, characterized by restlessness, excitement, delusions, hallucinations, and severe agitation. It may include attempts at violence and unexpected strength..

When deputies arrived, they found a man in his 50's in a stranger's yard. He was taking off his clothes in spite of very cold weather and clearly suffering from a significant crisis. He was not communicating and was only grunting and groaning. Deputies were able to secure the man and keep him calm for the aid crew.

Once medics were able to approach, it was quickly determined that the man was suffering from a physiological emergency. Additionally, the man was dangerously hypothermic. He was transported to a hospital for treatment.

It is likely that the actions of a concerned citizen, police and the fire services saved this man's life.

November Upcoming Events:

Tuesday the 26th—Regular Council Meeting

- 6:00 PM—9:00 PM
- City of SeaTac City Hall Council Chambers (4800 South 188th Street, SeaTac)
- Click [here](#) for the agenda, packet, and handouts

Thursday the 28th—City Hall Closure: Thanksgiving Holidays

- 8:30 AM—5:00 PM
- SeaTac City Hall and all City Facilities
- Call 206.973.4820 for more information

Friday the 29th—City Hall Closure: Thanksgiving Holidays

- 8:30 AM—5:00 PM
- SeaTac City Hall and all City Facilities
- Call 206.973.4820 for more information

Citizen Advisory Committee Vacancies – Applications Are Being Accepted

Want to be more involved with the City of SeaTac? Want to provide a valuable service to your community and be more informed about City business? Let your voice be heard! Consider joining a Citizen Advisory Committee.

The following Citizen Advisory Committees have vacancies with applications accepted until positions are filled:

- Community Services Advisory Committee
- Hotel/Motel Tax Advisory Committee
 - *(Person involved in activities authorized to be funded by revenue received from the Lodging Tax)*
- Senior Citizen Advisory Committee
- Sidewalk Advisory Committee

If you are interested in serving on a committee and would like to download an application, visit the City's [website](#), or contact the City Clerk at 206.973.4661 or cityclerk@seatacwa.gov.

All positions are appointed by the Mayor and confirmed by the Council.

Solid Waste Fee Increase On Its Way

Every year the City of SeaTac's solid waste contract allows for a cost of living adjustment equal to 75% of the CPI-W. This year that amount is a 1.26% rate increase. King County is also implementing a Hazardous Waste fee increase from \$4.99/ton to \$5.25/ton. The total solid waste fee increase will be \$1.61 per month for the average resident that has a 96-gallon garbage container.

All SeaTac Recology customers will soon be receiving an updated service guide that includes the new rates and information about what can and cannot be recycled. If you have any questions, please contact Mason Giem, Public Works Program Coordinator, at (206) 973-4763 or email him at mgiem@seatacwa.gov.

empty, clean, and dry.

Thank you for recycling, and please remember; all recycling must be

Des Moines Memorial Drive South & South 200th Street Intersection Improvement

The City of SeaTac Public Works Department is partnering with the City of Des Moines to improve the intersection at Des Moines Memorial Drive South and South 200th Street. The construction project will begin on Monday, October 28, and is estimated to be completed by the end of December, 2020.

Starting Monday, November 4, and throughout the construction period, crews will be shutting down lanes along Des Moines Memorial Drive South and South 200th Street. Single lane closures will be between 9:00 AM to 3:00 PM. However, some nighttime work is expected.

Drivers are advised to find alternate routes during the entire construction period to avoid backups as these lane closures will impact drivers who utilize this stretch of roadway.

The City will be upgrading the roadways with multiple safety improvements for vehicle traffic and pedestrians. The City will be installing:

- A new traffic signal and traffic detection system at the intersection that will alert the signal when cars are waiting, which will improve traffic flow
- Left turn pockets which will improve the flow of traffic and make it safer to make left turns
- New sidewalks, concrete gutters, and curb ramps for wheelchairs and bicyclists
- New bike lanes to create a separation between cyclists and car traffic
- Crosswalks and curb ramps at the intersection to make it easier for people to cross the street safely
- New push-button crosswalk signals at the intersection to meet current Americans with Disability Act (ADA) standards
- Installation of new street lights to improve driver and pedestrian visibility
- The addition of retaining walls to prevent roadway damage due to flooding and soil erosion
- Driveway improvements to create better access in and out of businesses and resident homes

Additionally, crews will be undergrounding utilities and replacing and upgrading the stormwater infrastructure. New catch basins will be installed along with larger replacement stormwater pipes. These upgrades will improve stormwater flow and limit the amount of flooding along the roadway during heavy rainfall.

King County Metro will relocate the pair of bus stops in this intersection for most of the project. However, there will be times when these stops may need to close to allow crews to complete improvements. Please visit [King County Metro](https://www.kingcounty.gov/transportation/metro) for additional information regarding impacts to Routes 122 and 156.

For more information on this project, please contact Engineering Manager Kamal Mahmoud, P.E., at (206) 973-4742 or kmahmoud@seatacwa.gov.

APPLY ONLINE!
2020census.gov/jobs

The U.S. Census Bureau is an
Equal Opportunity Employer.

Now Hiring! - US Census Bureau

The US Census Bureau is recruiting people locally for temporary jobs to assist with the 2020 Census count. The pay scale for King County is \$18.50 - \$25.50 per hour. To be eligible for a 2020 Census job, you must:

- Be at least 18-years-old
- Have a valid Social Security number
- Be a U.S. citizen
- Have a valid email address
- Complete an application and answer assessment questions
- Be registered with the Selective Service System or have a qualifying exemption, if you are a male born after December 31, 1959
- Pass a Census-performed criminal background check and a review of criminal records, including fingerprinting
- Commit to completing training
- Be available to work flexible hours, which can include days, evenings, and/or weekends.

Most jobs require employees to:

- Have access to a vehicle and a valid driver's license, unless public transportation is readily available
- Have access to a computer with internet and an email account (to complete training)

Public Works Project Updates

Military Road South and South 152nd Street

Improvements for this road reconstruction and safety project include construction of bike lanes, curbs and gutters, sidewalks, new pavement, installation of street lighting, upgraded and interconnected signalization with pedestrian crossings, construction of a right turn lane on Eastbound South 152nd Street, and the elimination of the skewed intersection at Tukwila International Boulevard and Military Road South. **Johansen Construction Company started construction on June 24. Current work includes installation of underground infrastructure to support power, cable, and telecommunications services.**

Des Moines Memorial Drive South and South 200th Street Intersection

Improvements for this intersection include construction of bike lanes, curbs and gutters, sidewalks, new pavement, installation of street lighting, a new traffic signal system with pedestrian crossings, left turn lanes for all approaches, and construction of a right turn lane on westbound South 200th Street. **Rodarte Construction was awarded the construction contract at the September 24 Regular Council Meeting. Construction is scheduled to start on October 28. Lane closures will be in effect starting November 4.**

34th Avenue South Project

This “Safe Routes to School” project includes construction of sidewalks, curbs and gutters, storm drainage facilities, installation of an enhanced crosswalk, pedestrian lighting, landscaping, and underground conversion of aerial utilities. **Design and right-of-way acquisition are ongoing. The project is scheduled to start construction in 2020.**

South 200th Street Shared-Use Path

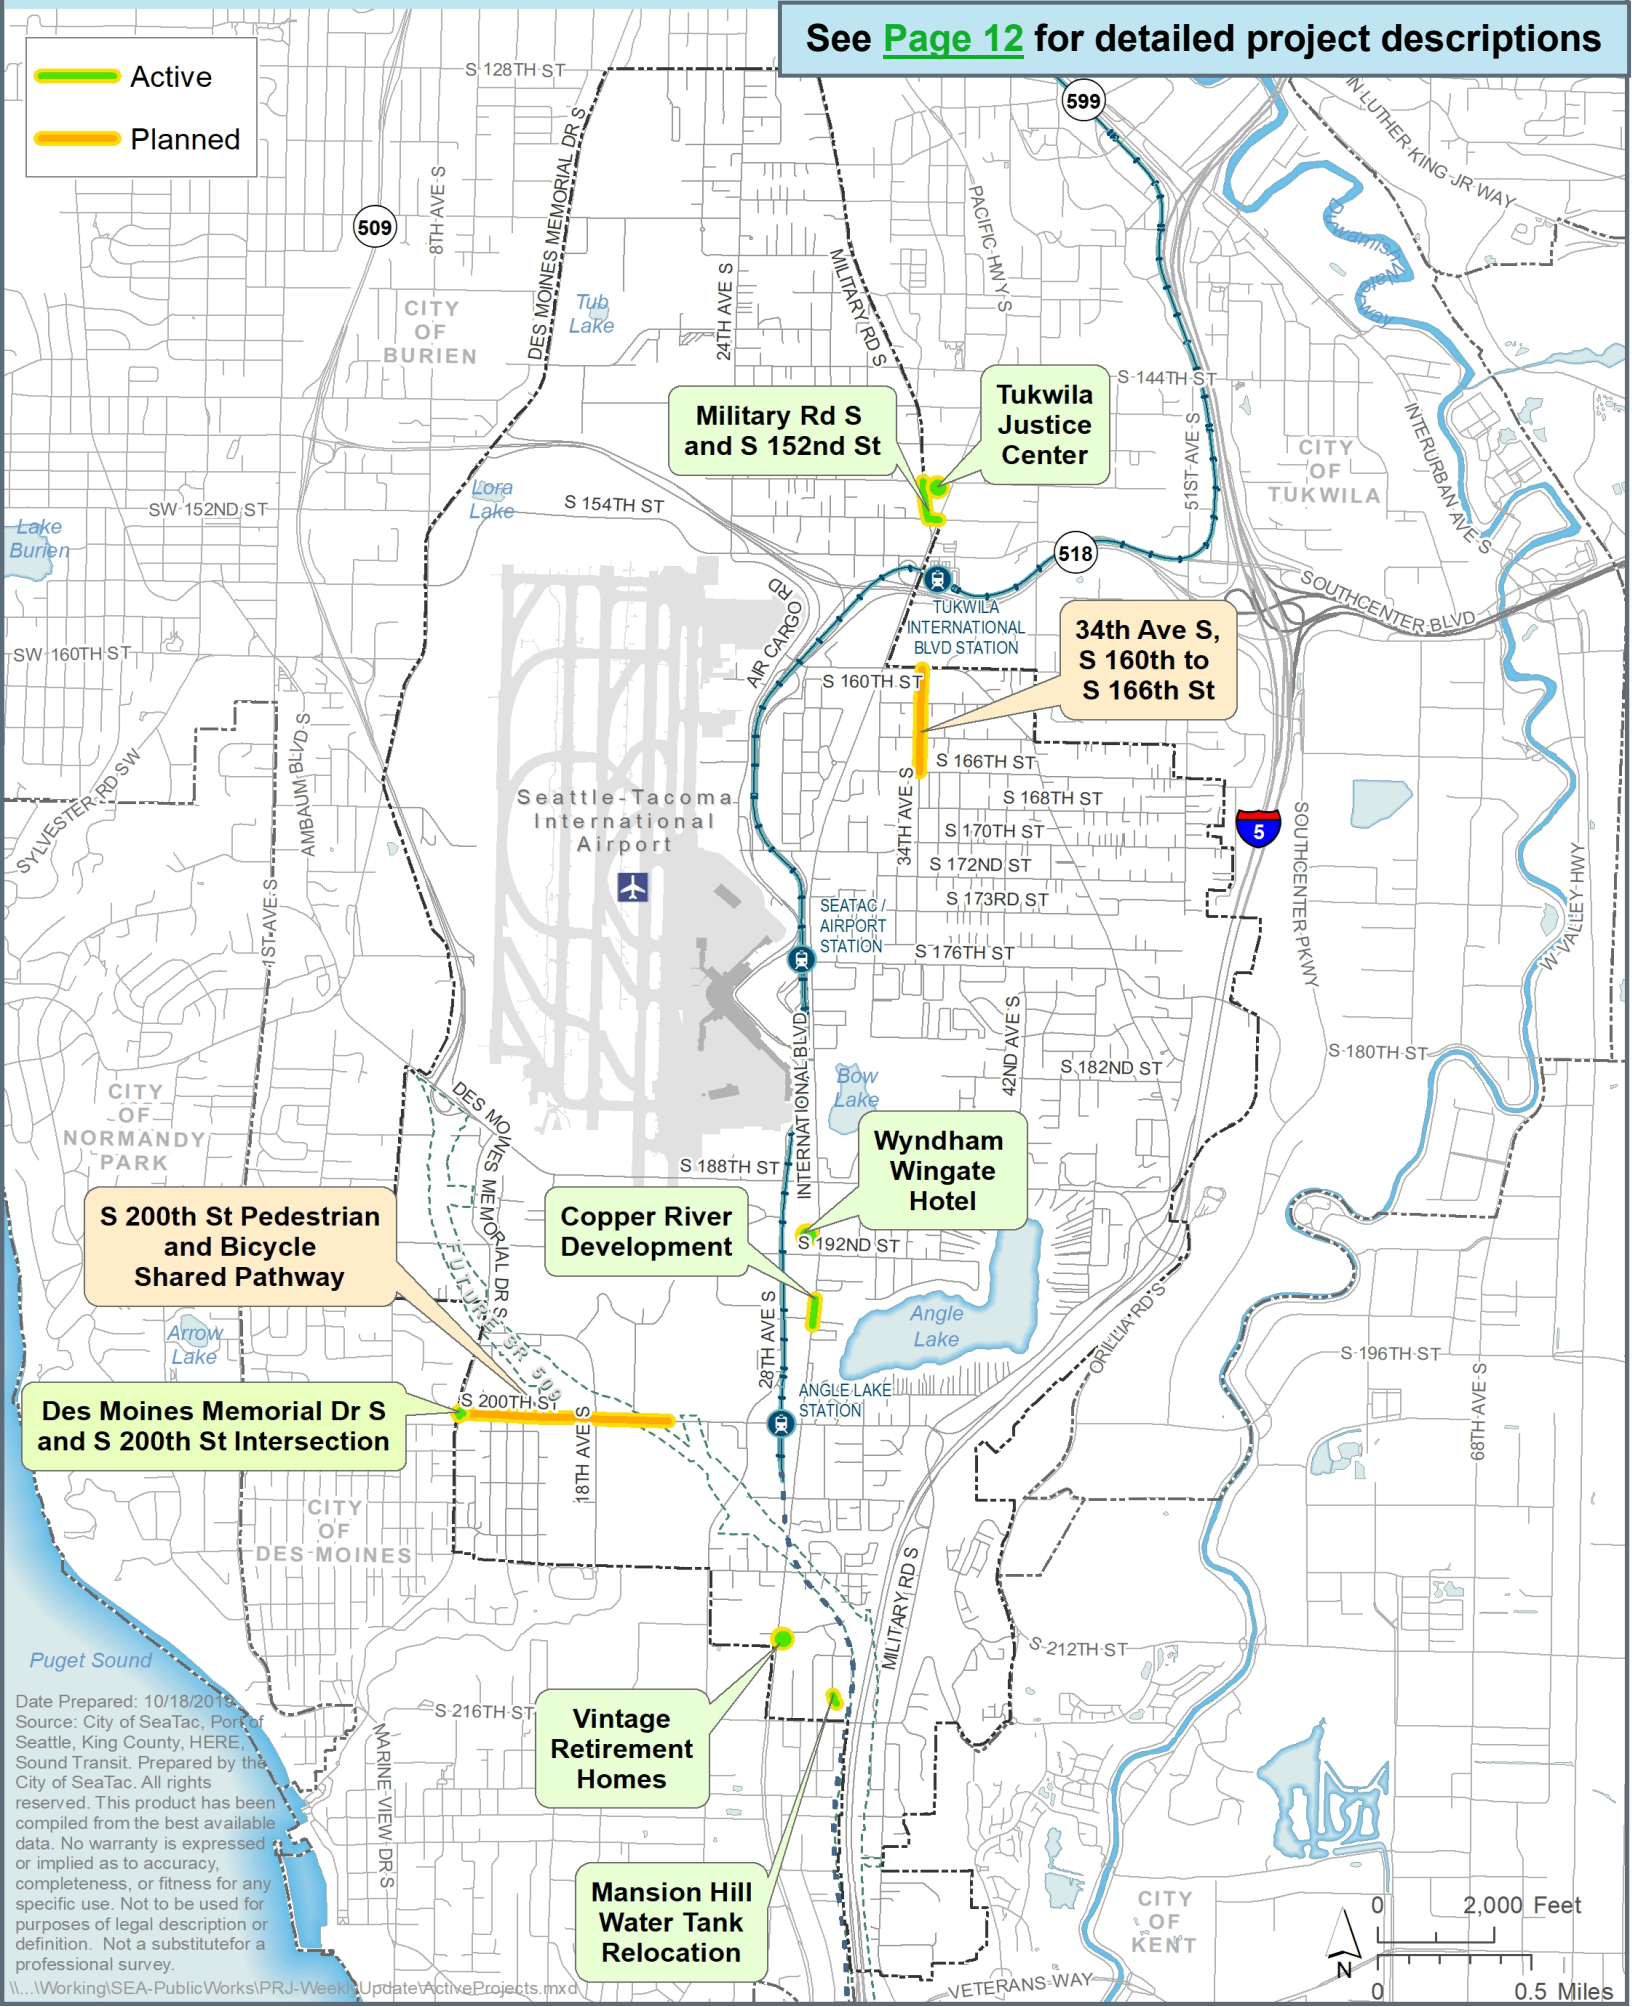

This project includes building a new separated shared-use path along South 200th Street between 12th Place South and the Des Moines Creek Trailhead. The project will provide pedestrian connections to street improvements that will be constructed at the intersection of Des Moines Memorial Drive South and South 200th Street, and a connection to existing pedestrian and bicycle facilities accessing the Angle Lake Light Rail Station. **Design and right-of-way acquisition are in progress. The project is scheduled to start construction in 2020.**

VIA Transit Option

King County Metro, Sound Transit, and City of Seattle launched a new on-demand shuttle service called [Via to Transit](#) that will make it more convenient to take transit in southeast Seattle and Tukwila.

Residents can use the Via app or call 206.258.7739 to hail a ride to and from [five Link light rail stations](#) (Mount Baker, Columbia City, Othello, Rainier Beach, and Tukwila International Boulevard) where they can board a bus or a Link train. Payment with an ORCA card is accepted, and will automatically apply as a transfer toward a trip on a bus or train.
