HELP US HELP YOU

When to Call 9-1-1:

- You see a crime being committed.
- You see smoke or fire.
- Someone's life and/or property are in immediate danger.
- Rescue or emergency medical assistance is needed.

Not Sure If You Should Call? Then call 9-1-1 and let trained personnel decide.

911 calls are tracked and those statistics help the police and fire departments deploy resources.

Help keep your community safe by being vigilant and reporting incidents to 911.
