

City of SeaTac
Public Notice

City of SeaTac, Trevor Ralph, 4800 S 188th St SeaTac, WA 98188-8605, is seeking coverage under the Washington State Department of Ecology's Construction Stormwater NPDES and State Waste Discharge General Permit. The proposed project, S. 180th Street Drainage Channel, is located at the terminus of S. 180th street and the channel that flows north-south between S. 180th and S. 182nd Streets in King County. This project involves 2.5 acres of soil disturbance for Highway or Road, Other (Flood Reduction) construction activities. The receiving waterbody is Bow Lake/Des Moines Creek. Any persons desiring to present their views to the Washington State Department of Ecology regarding this application, or interested in Ecology's action on this application, may notify Ecology in writing no later than 30 days of the last date of publication of this notice. Ecology reviews public comments and considers whether discharges from this project would cause a measurable change in receiving water quality, and, if so, whether the project is necessary and in the overriding public interest according to Tier II anti-degradation requirements under WAC 173-201A-320. Comments can be submitted to: ecyrewqiano@ecy.wa.gov, or Department of Ecology Attn: Water Quality Program, Construction Stormwater P.O. Box 47696, Olympia, WA 98504-7696.
