MEMORANDUM

To: Sidewalk Advisory Committee
From: William Appleton, Public Works Director
Date: 7/15/2021
Subject: 2021 Project Selection Process – Attributes, Weighting and Scoring

Purpose:

To review the attributes, weighting and scoring process for screening and ultimate selection of the City's next sidewalk project. Additionally, obtain committee feedback on site visits made to candidate projects; thoughts with respect to pedestrian lighting; and concerns/priorities expressed by our community.

Background:

At the previous meeting, staff introduced four candidate sidewalk projects for consideration and asked committee members to visit the sites ahead of beginning the process of their prioritization. The projects were as follow:

1. 32nd Ave S, S 200th St to S 204th St
2. S 144th St, Military Rd S to 24th Ave S
3. S 198th St, 32nd Ave S to Military Rd S
4. S 142nd St, 24th Ave S to 29th Ave S

The attribute/selection criteria used to evaluate candidate projects will be reviewed with the Committee and their ranking/weighting affirmed. Project attributes are:

- Mobility/Connectivity
- Community Support
- Right-of-Way Impacts
- Accessibility
- Pedestrian Volume
- Funding

Committee members will also be asked to report out on their site visits; community engagement; impression of the lighting in our residential areas; and potential projects that should be considered in addition to the 2021 candidate projects.
