

**PROJECT INFORMATION**

**Site 2 - 32nd Ave S from S 200th St to S 204th St**

**Project Description**

This project is identified in the 2015 SeaTac Transportation Master Plan as Public Works Capital Improvement Project ST-136. Project consists of constructing new sidewalk, traffic calming measures, and sharrows (shared vehicular/bicycle lane).

Potential to include undergrounding overhead utilities, landscaping, storm drainage infrastructure, and pedestrian lighting. Right-of-way may be required to build out 60-ft street section.

**Project Purpose and Need**

Existing sidewalk is present on the west side of 32nd Ave S. Project would build sidewalks on east side of 32nd Ave S to serve the adjacent neighborhood. Project would add sidewalks along identified safe route to school for Madrona Elementary.

**Evaluation Team**
