HE talked about the history and how the process works. The Committee asked if the limit could be raised since it hadn't been increased in sometime. They will be looking into increasing the limit for the funding cycle of 2023-2024.</p> <p>Adriana Mendivil is the Program Manager for Lutheran Community Services NW. The agency started in 1921 and has been serving our community with many different services. Because of COVID-19, they have added several new resources such as food distribution, partnered with Westside Baby to provide diapers and basic needs for babies. They also partnered with HealthPoint to provide vaccinations to residents. They have a senior program along with refugee assistance and are currently working with Afghanistan refugees coming into our country. They have over 17 services they provide and are working very hard to help anyone who is needing assistance.
