## Flood Control Project Ribbon Cutting

**Date:** Friday, May 20, 2022

**Time:** 3-3:30 PM

**Location:** 3726 S 180th St, SeaTac, WA 98188- East Dead End of S 180<sup>th</sup> Street across the street from Hunt Club Apartments

***Parking available at the Emmanuel Baptist Church parking lot. (3752 S 182nd St, SeaTac, WA 98188)*** To access the event location from the parking area, please enter the trail at S. 182nd Street, just west of the parking lot, and walk north towards S. 180th Street.

**What:** Brand new flood control project unveiled that ends historic standing stormwater flooding issues in front of apartment complexes. Also new lit pedestrian path designed for safe route to school for elementary students.

### **Project elements:**

- Replacement of stormwater infrastructure on S.180th and S.182<sup>nd</sup> Street
- New sidewalk, pedestrian crosswalk, ADA curb ramps and pathway lighting on S.180th Street within limits of new pavement grading
- New lit asphalt pathway providing pedestrian connection between S. 180<sup>th</sup> St. & S. 182nd St.
- Installation of stormwater infiltration gallery to redirect groundwater to existing drainage channel
- Dredge and regrade of existing drainage channel to improve flow and capacity

### **About the City of SeaTac:**

*Incorporated in February 1990, the City of SeaTac is located approximately midway between the cities of Seattle and Tacoma. The City of SeaTac is 10 square miles in area and has a population of 32,000\*. The City is a vibrant community, economically strong, environmentally sensitive, and people oriented. The City boundaries surround the Seattle-Tacoma International Airport, (approximately three-square miles in area) which is owned and operated by the Port of Seattle.*
