

## City Manager's Weekly Update

May 13, 2011

Dear Mayor, Councilmembers, Residents, and Employees:

### Backyard Wildlife Festival

Consider attending the Backyard Wildlife Festival to learn how you can enhance your outdoor space to create a wildlife friendly habitat. One of the highlights will be a garden tour that will take you on an adventure through backyards and gardens in SeaTac and Tukwila that have been certified as backyard habitats by the National Wildlife Foundation. The featured guest speaker Cisco Morris will talk about Hummingbird Madness.

This free festival takes place at the Tukwila Community Center tomorrow, May 14, from 9:00 AM - 3:00 PM, with the garden tour lasting until 5:00 PM. For more information, go to [www.backyardwildlifefair.org](http://www.backyardwildlifefair.org). The City of Tukwila is putting on this event along with sponsors including the City of SeaTac and other local businesses.

### Grandview Off Leash Dog Park Work Party

Also tomorrow, Saturday, May 14, at 9 AM, Serve Our Dog Areas (S.O.D.A.) is hosting an off leash dog park work party at Grandview Park. S.O.D.A. is 100% volunteer run and funded through user donations. Without volunteer help, the park is not possible. The goal of the work party is to fill holes in the park, add a layer of gravel to the existing paths as well as clear blackberries to improve visibility of the parking lot from the lower fields. They are also looking for individuals to work on repairing cyclone fencing that has been damaged. S.O.D.A will provide lunch to all volunteers – hot dogs, chips and cookies. For more information, call David at 683.1924.

### Bow Lake Elementary School – Science Fair

On April 29, Community Service Officer Mechee Burnett and School Resource Officer Karen Davy participated in the Bow Lake Elementary Science Fair. This was the third year that Officers Burnett and Davy attended the science fair. They were a hit with their hands-on Strawberry DNA activity.

## Police News

On Friday, May 6, SeaTac Police received a parking complaint from a citizen that a car was parked illegally on the sidewalk in front of an apartment complex (13400 block of 24th Avenue South). The registered owner of the vehicle had criminal warrants for their arrest. A tow truck was requested as it was believed that it may have been an unreported stolen vehicle. When the tow truck arrived, the registered owner and her boyfriend contacted the officer on scene. Both were arrested for their criminal warrants. The registered owner also received a ticket for the parking violation.
