

MEMORANDUM COMMUNITY & ECONOMIC DEVELOPMENT

Date: 5/13/2024
To: Planning & Economic Development Committee
From: Kate Kaehny, Principal Planner
Subject: **Envision SeaTac 2044: Informational Briefing on Proposed Growth Strategies**

SUMMARY

The goals for this Thursday's meeting are:

- 1) To present the proposed new growth strategies the Planning Commission is studying, and
- 2) To listen to questions or comments from the Committee.

The Planning Commission is still reviewing the new growth strategies and related policy changes to these chapters of the Comprehensive Plan:

- [Land Use Element Updates– Draft 1](#)
- [New Urban Center Chapter – Draft 1](#)
- [New Neighborhoods Chapter – Draft 1](#)

Some new strategies create goals for Urban Villages, Neighborhood Villages, and Corner Stores in locations throughout the city. These areas will bring more service and housing choices for the community. At the May 16 meeting, staff will present a summary of the proposed new growth strategies and other key policy changes.

PED COMMITTEE DIRECTION

This is an informational briefing. No action requested.
