

Complete Neighborhoods

Proposed: Clarify and strengthen existing Complete Neighborhoods policies

Ensure new housing and job growth is supported by sufficient infrastructure and services.

- Create healthy, equitable, connected, and complete neighborhoods.
- Maintain a high quality of life for current and future city residents.

Develop Complete Neighborhoods that provide 1/2 mile walkable access to:

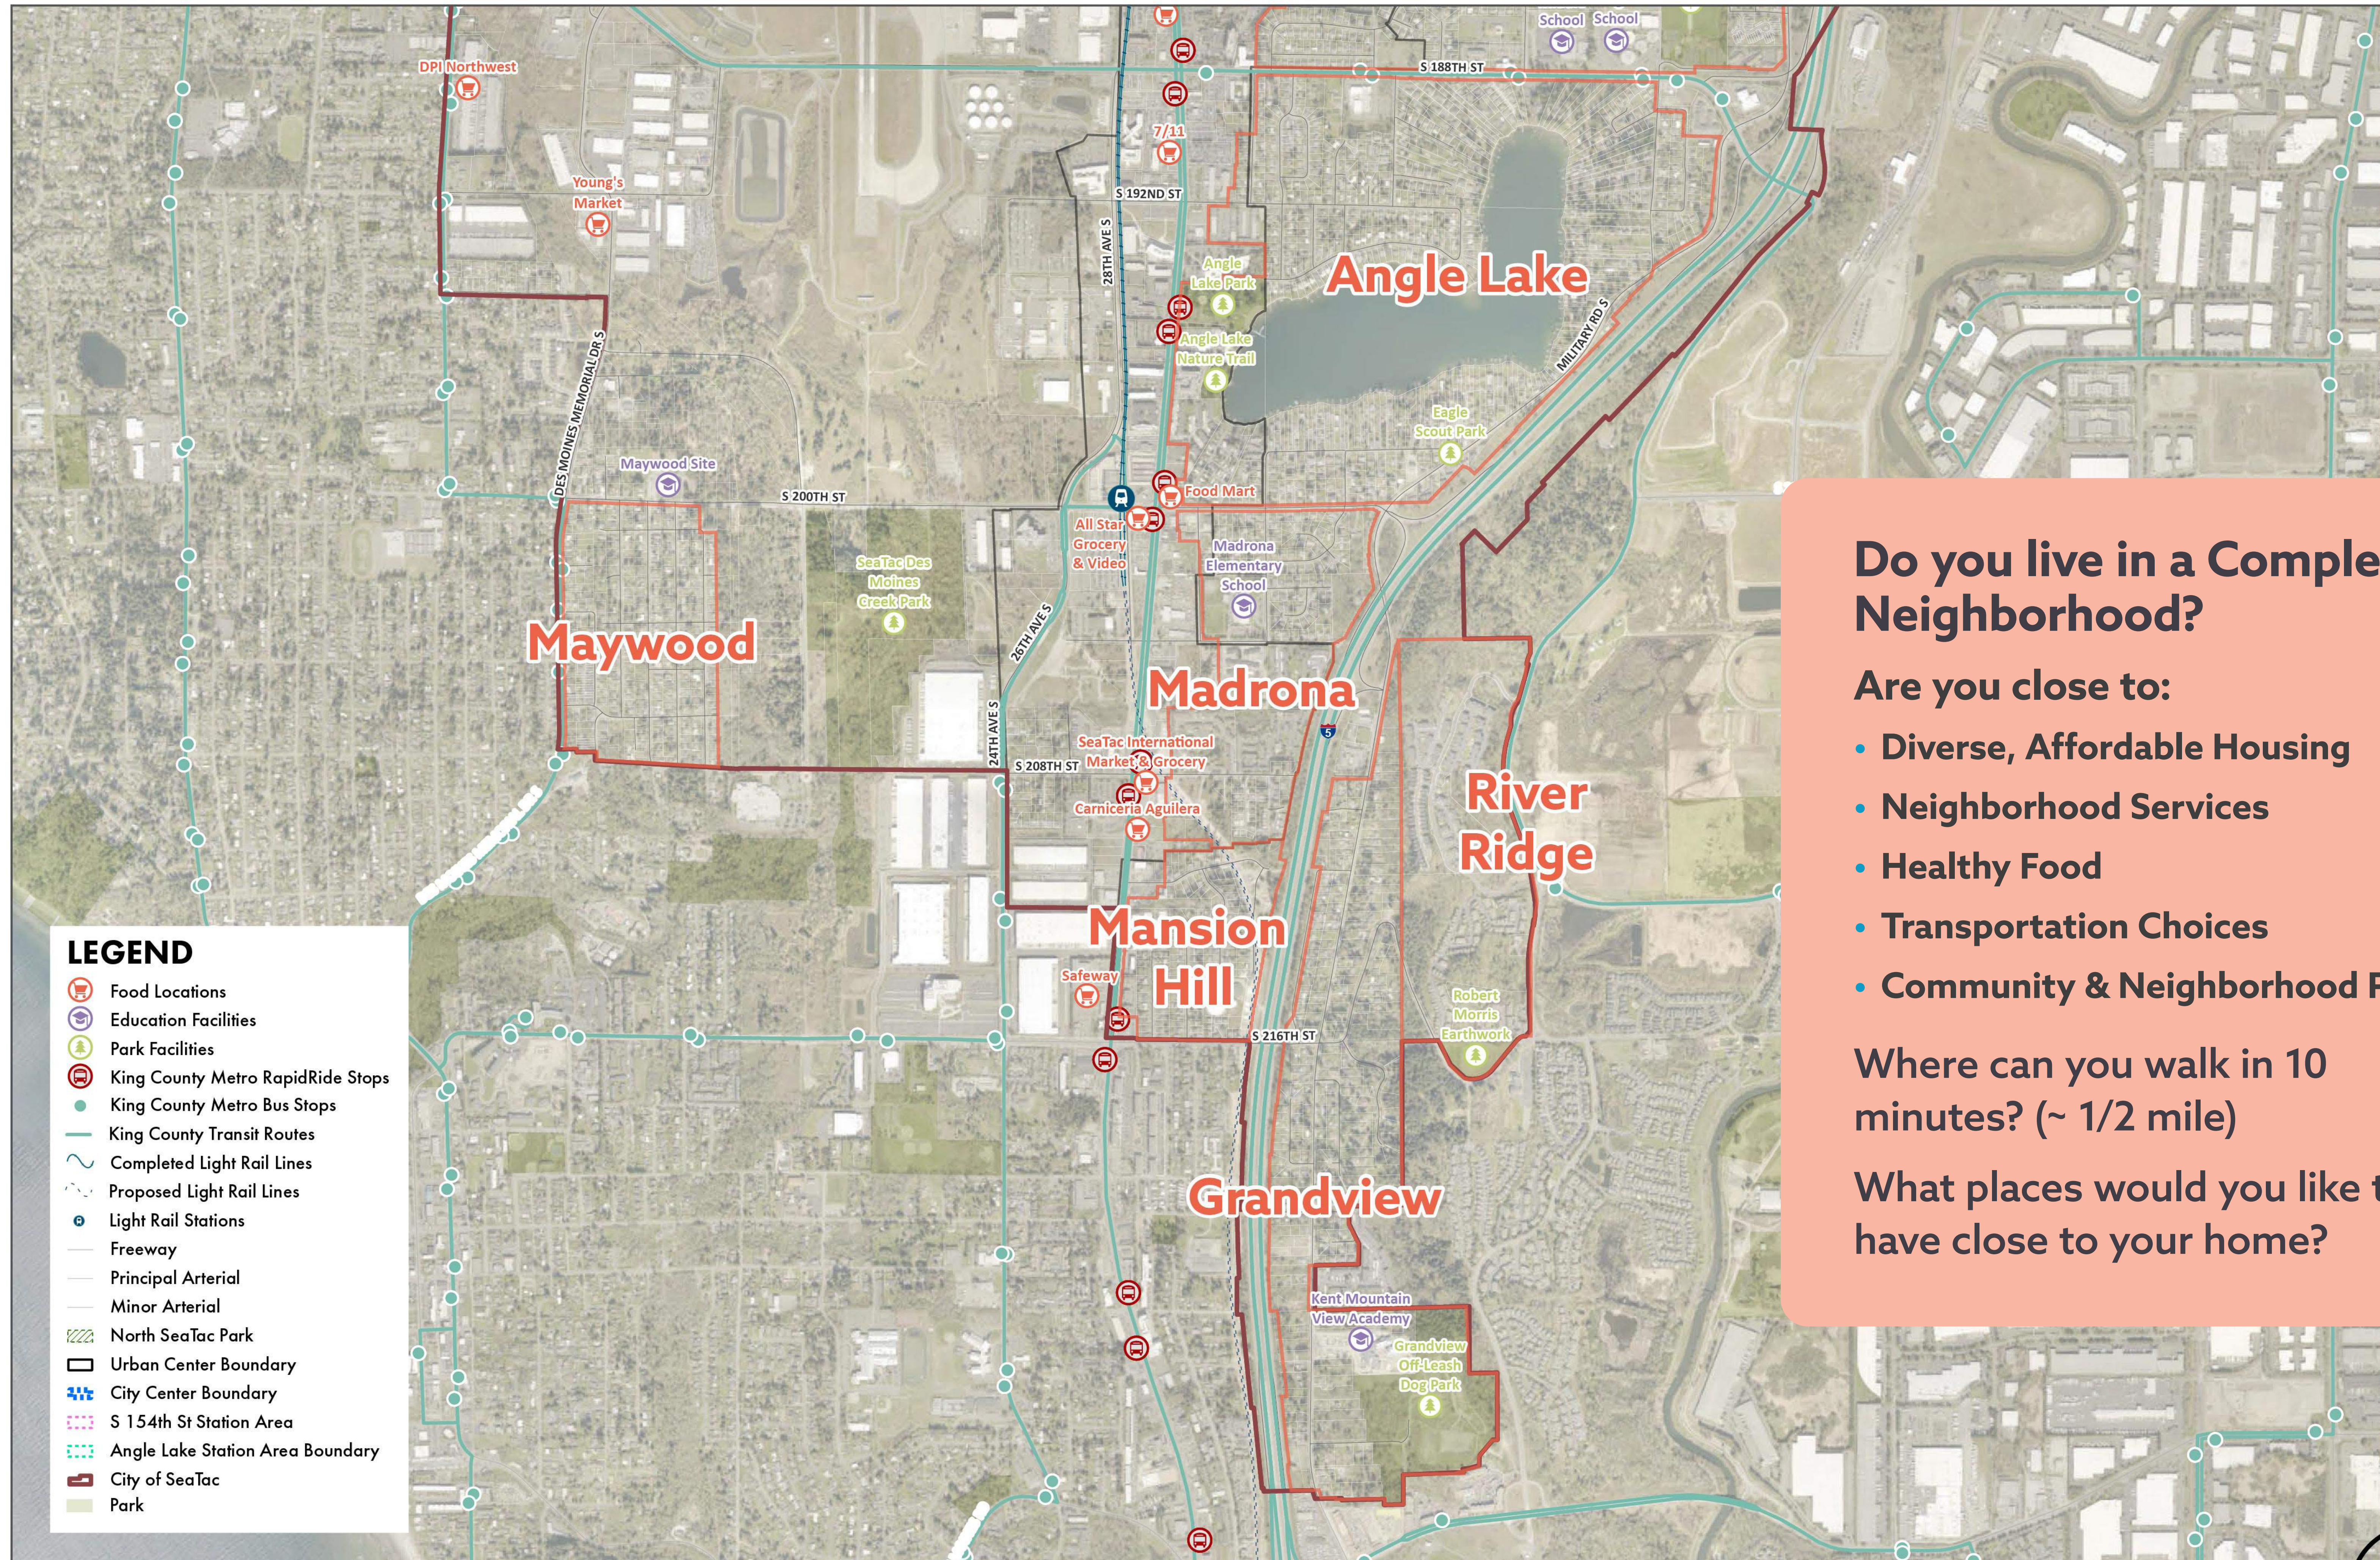

- **Diverse, Affordable Housing:** Varied housing types attainable for residents of all income levels.
- **Neighborhood Services:** Resident-oriented businesses and daily needs services.
- **Healthy Food:** Grocery stores, healthy food shops, farmers markets, community gardens.
- **Community & Neighborhood Parks:** Multi-purpose parks for all ages and abilities.
- **Transportation Choices:** Connected street networks and walking, bicycling, and transit.

In Urban villages & higher density residential areas, provide 1/4 mile access as possible to serve larger, denser populations
