

Getting Around

► What do you hope to see for the future of transportation in the City? (select all that apply)

Reduced Speeds	More Pedestrian Facilities (Sidewalks, Trails, Benches, etc.)
Frequent Transit Service	More Traffic Calming (Speed Humps, Narrow Lanes, etc.)
Better Transit Stop Amenities (Shelter, Garbage, Seating)	More Speed Cameras
Safer Bike Facilities (Bike Lanes, Bike Signal, etc.)	Reduced Traffic Congestion (Traffic Jam)
More Street Lighting	More Enforcement of Traffic Safety Laws (Speeding, Parking in Bike Lanes etc.)

► What is the most pressing transportation need? (pick one)

Need for Better Transit Service	Need for Better Lower-stress Bicycle & Pedestrian Facilities	Access to Jobs	Access to Goods & Services	Safety	Traffic Congestion	Parking
