

City Manager's Weekly Update

August 12, 2011

Dear Mayor, Councilmembers, Residents, and Employees:

Music in the Park • Sundays, 5 - 6:30 PM, Free

August 14, Kevin Jones Band (Roots Electric/Acoustic Rock)

The Parks & Recreation Department is pleased to bring you another great summer of music performances. Bring a blanket or lawn chair and family and friends to enjoy live music in Angle Lake Park. The performances are free and additional parking is available at the Alaska Airlines parking lot. Performances are sponsored by the City of SeaTac and are supported by 4Culture.

Civil Service Commission

The City of SeaTac has an immediate vacancy for a Civil Service Commissioner. The SeaTac Civil Service Commission ensures that hiring and promotions are fair and competitive and that all personnel rules are fairly administered for City Fire Fighters. The SeaTac Civil Service Commission is composed of three commissioners who are appointed by the City Manager. Commissioners serve a four year term. The Civil Service Commission meets on the second Monday of each month at 3:30 PM at SeaTac City Hall. If you are interested in serving on the Civil Service Commission, please contact the City Clerk's Office at 973.4660.

Free Summer Lunches for Children

The Des Moines Area Food Bank will be providing free lunches and snacks for children between the ages of 1 and 18 years at Angle Lake and Valley Ridge Parks. The program begins on Tuesday, June 28, and runs through September 2, Monday through Friday. They will serve lunch at Angle Lake Park from Noon-1:00 PM and snacks from 3:00 - 3:30 PM. Lunch will be served at Valley Ridge Park from 12:15 - 12:45 PM.

The Des Moines Area Food Bank will also serve lunches at the following sites: Parkside Elementary School, Madrona Elementary School, McMicken Elementary School, Des Moines Field House, Midway Park, South Marina Park, Matt Griffin YMCA and Seahurst Elementary School.

This program will fill a void for many children that are recipients of free/reduced lunch during the school year.

SeaTac Police Explorers program

Whether you are interested in Law Enforcement as a future career or just interested in growing in your personal life and committed to your community, The SeaTac Police Explorers is a great program for youth ages 14-20. Please contact Community Service Officer Burnett at 973.4917 if you have any questions about the program or to obtain an application.

Residential Ventilation Training

During the first week of August, SeaTac firefighters practiced their ventilation techniques. Ventilation is a technique used by firefighters to remove smoke and heat from a structure. When performed properly, ventilation greatly assists search and rescue operations while allowing the engine companies to advance their hose lines to perform extinguishment duties. At a structure fire, firefighters may need to cut holes in the roof to draw heat, smoke, and fire up and out of the building. This technique increases survival time for victims by channeling heat and smoke away from them. The training was conducted at the Kent Fire Training Center on their residential roof prop.
