

## **New Start Times for T&PW and LUP Council Committee Meetings**

September 20, 2011

At the August 9, 2011 Regular Council Meeting, the City Council by Resolution, established a new schedule which changes the start times of the Land Use and Parks (LUP) and Transportation and Public Works (T&PW) Council Committees pursuant to direction from the two committees. Under the new schedule, the T&PW and LUP Council Committee Meetings will continue to meet on the fourth Tuesday of each month, however, T&PW will start at **2:30 PM** and LUP will start at **3:30 PM**. The September 27, 2011 meetings reflect this change. The meeting times for A&F and PS&J will remain the same.
