

## City Manager's Weekly Update

September 23, 2011

Dear Mayor, Councilmembers, Residents, and Employees:

### **New Start Times for T&PW and LUP Council Committee Meetings**

At the August 9, 2011 Regular Council Meeting, the City Council by Resolution, established a new schedule which changes the start times of the Land Use and Parks (LUP) and Transportation and Public Works (T&PW) Council Committees pursuant to direction from the two committees. Under the new schedule, the T&PW and LUP Council Committee Meetings will continue to meet on the fourth Tuesday of each month, however, T&PW will start at 2:30 PM and LUP will start at 3:30 PM. The meetings next week reflect this change. The meeting times for A&F and PS&J will remain the same.

### **Fall Special Recycling Event**

This event is for King County residents only – no commercial loads accepted. Bring the following materials to be recycled on Saturday, October 1, from 9 AM to 3 PM to the Tye Educational Complex parking lot: appliances, refrigerators/freezers (\$20 cash fee per each refrigerator/freezer), scrap metal, batteries, fluorescent light bulbs, oil, antifreeze, transmission and steering fluids (no gas or brake fluid; no mixed fluids), tires, clothing and reusable household goods, and EPS Styrofoam. Please note that only computer peripherals such as keyboards, mice, and printers are accepted at our recycle events.

### **Free Confidential Material Shredding**

DataSite Northwest will be providing secure document destruction services at the October 1 Fall Special Recycling Event. Limited to three boxes per vehicle.

Televisions, computers, computer monitors, and laptops are no longer accepted at our recycle events. Call 1.800.RECYCLE or visit [1800recycle.wa.gov](http://1800recycle.wa.gov) to find authorized electronic product recycling services in your area. **E-cycle Washington sites will accept televisions, computers, computer monitors, and portable or laptop computers throughout the year for free.** Households, small businesses, schools and school districts, small governments, special purpose districts, and charities can recycle electronic products free of charge.

For more information contact Resource Conservation/Neighborhood Programs Coordinator Trudy Olson at 973.4763.

**SeaTac Domestic Violence Task Force Food Drive for Highline Area Food Banks**

Saturday, October 1, from 9 AM - 3 PM at the Tyee Educational Complex parking lot. You may bring canned and non-perishable food, diapers, toilet paper, soap, pet food and laundry detergent to donate to SeaTac’s Domestic Violence Prevention Program. Paper bags and donations are welcome too! Call Chris with any questions at 973.4933.

**Rain Barrel Sale for SeaTac Residents Only**

Saturday, October 1, from 9 AM to Noon, or until they are sold out.

*Please note the rain barrel sale will be held at the Special Recycling Event site at the Tyee Educational Complex, and not at City Hall.*

These rain barrels will help you harvest untreated rain water by simply hooking it up to your down spout. For only \$25 each (subsidized by King County Waste Reduction and Recycling grant funds), these 60-gallon rain barrels have a mesh screen on top, a brass hose bib spigot, and an excellent overflow system. Limit two per customer, and cash only please. Please bring proof of residency with you.

**Work Event in the Highline SeaTac Botanical Garden**

On Friday, September 16 volunteers gathered for a cleanup event in the Highline SeaTac Botanical Garden. Twenty people from the Starbucks corporate office, community service workers, a number of botanical garden board members and representatives from the display gardens participated. This event primarily focused on cleaning up of the area behind the soon to be Northwest Fuchsia club beds that is just south of the Seattle Rose Society beds. Volunteers removed overgrown vegetation and spread wood chip mulch. The work also included cleaning up other member club areas. The effort was directed by the garden’s Volunteer Coordinator Laura Sweany, and was supported by the SeaTac Parks Department. Refreshments were supplied by Wendy Morgan and Barb Purdey.

**SeaTac Police Explorers program**

Whether you are interested in Law Enforcement as a future career or just interested in growing in your personal life and committed to your community, The SeaTac Police Explorers is a great program for youth ages 14-20. Please contact Community Service Officer Burnett at 973.4917 if you have any questions about the program or to obtain an application.

**Agendas**

Transportation and Public Works Committee	9.27.11
Land Use and Parks Committee	9.27.11
