Project Name: City Center Park-and-Fly Zoning Code Amendments

On August 11, 2011, the City provided notice that the appeal period for the City's Determination of Non-Significance (DNS) for File SEP11-00010, which was advertised in the Seattle Times on July 18, 2011, and ended on August 11, 2011, would be extended and re-opened within a two week period.

The City hereby provides notice of a further postponement of the re-opening and extension of the SEPA appeal period for this project.
