Support our troops

The Senior Program is collecting items to send overseas to the troops. Items that are collected will be brought to Operation Support Our Troops Northwest. The drive will run through November 8. Items that are needed include cocoa and cider packets, 6 inch candy canes, packaged cookies, microwave popcorn, gum, breath mints, peanuts and lip balm. These items will be placed into stockings and mailed to the troops. For further information, call 973.4690.

SeaTac Municipal Court News

The SeaTac Municipal Court has placed a locked “drop box” in the Court lobby. This box provides the residents of SeaTac court access during non-business hours. Customers may leave payments, hearing requests, and letters in the box. We ask that customers make payments with check or money order and not leave cash in the “drop box”. For additional questions regarding a Court matter please contact SeaTac Municipal court at 973.4610 during regular business hours.

SeaTac Police Explorers program

Whether you are interested in Law Enforcement as a future career or just interested in growing in your personal life and committed to your community, The SeaTac Police Explorers is a great program for youth ages 14-20. Please contact Community Service Officer Burnett at 973.4917 if you have any questions about the program or to obtain an application.

SeaTac Fire Responds to Significant Accident on I-5

On October 18 at approximately 10:15 AM, SeaTac Engine 45 and Battalion 45 along with Port of Seattle Engine 712, responded to a reported motor vehicle accident on southbound I-5 near S. 188th Street. On arrival, Engine 45 found multi-car accident involving ten cars, two with serious damage. The vehicles were spread out along the freeway and blocking all but two lanes. Engine 45 triaged and identified seven patients in four vehicles. Engine 45 established I-5 Command and requested a medic unit. Two Tukwila Fire units responding to a report of a different accident were added to the alarm, when it became apparent that they were the same accident. A total of seven patients were treated at the scene and six were transported to local hospitals by ambulance with non-life-threatening injuries.
