

Goals and Objectives

Project goals and objectives:

- ▶ Improve traffic flow and reduce congestion
- ▶ Increase safety for motorists, pedestrians, and cyclists
- ▶ Make the route more attractive and retain its “neighborhood” feel

Possible project elements to achieve the goals and objectives:

- ▶ Adding two-way left-turn lanes
- ▶ Upgrading street lighting
- ▶ Adding or upgrading sidewalks
- ▶ Adding bike lanes
- ▶ Upgrading the storm drainage system
- ▶ Landscaping
- ▶ Moving some overhead utilities underground
