Fourth of July Fireworks Display at Angle Lake Park

We hope everyone has a safe and enjoyable Fourth of July holiday. We want to remind our residents that the possession and discharging of fireworks is **strictly prohibited**. This includes both fireworks purchased at Reservation stands and those purchased off Reservation property.

Help keep our residents, businesses, and environment safe. If you see or hear fireworks being discharged, call 9-1-1. Please remember that high call volumes on and near the Fourth of July may delay non-life and property responses by the police and fire departments.

For those who wish to enjoy fireworks this Fourth of July, the City is co-sponsoring a fireworks display along with the Angle Lake Shore Club again this year. Fireworks will begin at approximately 10:00 PM on July 4. Angle Lake Park will remain open late in order for patrons to enjoy the show. Overflow parking is available at Alaska Airlines located just north of the park.

Relay for Life

On June 9 & 10, SeaTac city employees on Team SeaTac participated in the Relay for Life of Highline at the Mt. Rainier High School track. The team was formed in support of city residents, city employees, and their family members and friends that have battled cancer. This is an American Cancer Society fundraising event. The overnight Relay for Life walks were developed by Dr. Gordy Klatt from Tacoma in the mid 1980's and have since spread nationwide with over 5000 events planned. He said, "Cancer does not sleep and neither will we." Unfortunately, Dr. Klatt is now battling stomach cancer. In spite of that, he made it to the Tacoma Relay for Life this year. Team SeaTac contributed \$483.35 through donations and fundraising efforts. The Highline event raised \$31,834. Relay for Life is a life-changing event that helps communities across the globe celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease.
