

Information Notice

South 200th Street Station Naming Survey: Sound Transit is making progress to extend the Link light rail system between Sea-Tac Airport and South 200th Street in the City of SeaTac. During the project's early phases, the station at S. 200th Street was given a temporary, working name. The time for the Sound Transit Board of Directors to adopt a permanent name for the station is approaching. As part of the process, Sound Transit is collecting feedback to provide to the Board on the proposed choice of a station name.

| Temporary Working Station Name | Possible Choices for the Permanent Station Name |
|---------------------------------------|--|
| S. 200th Street Station | S. 200th Street Station |
| | South SeaTac Station |
| | Angle Lake Station |

Please provide input on the station name by completing a two question survey by Monday, Sept. 17th: <http://www.surveygizmo.com/s3/1011201/Central-Link-S-200th-St-Station-Naming-Survey>
You can choose from one of the three names above or enter a name of your own for consideration.

For more information please contact Jennifer Lemus at: jennifer.lemus@soundtransit.org.
