Total	367	63	304	89.4%

Customer Comments:

Thank you so much for giving the children & staff of Somali Community Services Coalition's Summer Adventures Program the chance to learn about firefighting & see what you do. We loved looking at all the cool equipment you use to save lives. It was so much fun to try on the hats & jackets, they were so heavy! Your truck is awesome too; our favorite part was seeing all the different compartments & getting to go in the truck! Many of us want to be firefighters now!

MISSION STATEMENT

"Dedicated to the community for the preservation and protection of life and property through education, prevention and emergency services."
