

City Manager's Weekly Update

January 11, 2013

Dear Mayor, Councilmembers, Residents, and Employees:

Recommendations for Reducing Aircraft Noise on Port Agenda

The Port of Seattle Commission's January 22 regular meeting will include an update on Sea-Tac Airport's Part 150 Noise Study. The update will include information on the draft recommended options for reducing aircraft noise in the new proposed noise remedy area around the airport. The meeting will be held at Sea-Tac Airport's Conference Center at 1:00 PM.

The Part 150 Study will be available for public review sometime after the January 22 Commission meeting. The dates of the Part 150 public comment period, along with the date of the final public outreach event, will be announced in the near future. A dedicated website for the study can be found at www.airportsites.net/SEA-Part150/.
