

Puget Sound Starts Here Night with the Seattle Mariners!

Puget Sound Starts Here (PSSH) is a partnership of regional governments dedicated to improving water quality in Puget Sound, local lakes, rivers and streams. PSSH is composed of 57 cities and counties collectively known as S.T.O.R.M. (Stormwater Outreach for Regional Municipalities), Washington State Puget Sound Partnership and Washington State Department of Ecology. The program is designed to harness collective energies to help improve Puget Sound by reducing the amount of storm water pollution that eventually ends up in the Sound.

City of SeaTac Honored as a WellCity

The City of SeaTac was recently honored with the WellCity Award by the Association of Washington Cities (AWC). This is the City's ninth consecutive WellCity Award.

The AWC Employee Benefit Trust's annual WellCity Awards recognize members that meet nine best practice standards for employee health promotion. Members of the AWC Employee Benefit Trust are eligible to apply for the award. This includes cities, towns, and non-city entities. SeaTac was one of 83 Trust-insured cities to earn the 2013 WellCity Award. WellCity has three levels of recognition to encourage program growth and longevity. SeaTac has earned the WellCity Award of Excellence. This is the highest level of recognition.

AWC Trust members that earn the 2013 WellCity Award receive a 2% premium discount on Regence BlueShield/Asuris Northwest Health premiums. The discount will be applied to 2014 premiums.

Receiving this award is estimated to save the City \$46,000 on medical premiums in 2014.

Annual Eggstravaganza

Clowns, bouncy houses, BBQ and an Easter egg hunt, oh my!! Angle Lake Neighborhood Church held their annual "Eggstravaganza" event on March 30. This is a great event that the SeaTac residents look forward to. Community Service Officers Burnett and Kruger participated in the event offering educational material on personal safety and had tons of goodies for the kids. The SeaTac Police Department loves to participate in this event and interact with the residents and look forward to participating next year.
