BUSINESS

Agency Presentation(s)

Business

Manuela Ginnett/Multi-Service Center presented about the emergency assistance and transitional housing they provide to SeaTac residents and homeless. Family Housing Connection/Coordinated Entry system is working but some challenges. People are staying longer in shelters making the waiting list 4-6 months. On target to meet annual performance measures.

Kelly Rider/Housing Development Consortium showed a great PowerPoint - Affordable Housing 101. Committee members expressed an interest in a joint human service/planning commission meeting sometime in the future.

Colleen updated the committee on the CTG grants. The city is receiving a grant for 28K to develop and implement a community engagement process that will inform the vision and strategies of the Angle Lake Station Area Plan and 20K to undertake a technical study to assess pedestrian and bicycle connectivity within the Angle Lake Station Area. These grants allow human services to better understand the needs of SeaTac residents.

New Business

Committee had questions about Human Trafficking, the Comprehensive Plan update, and the Planning Commission – potential speakers/topics for presentations at future H.S. Committee meetings.

Colleen shared information on the following:

- 1st quarter reports new system had some challenges. Almost all agencies are performing well.
- April 20th Parent Forum, Foster H.S., 9-4, sponsored by Roadmap Project to assist parents with school success
- April 27th SeaTac/Tukwila Community Health Fair, Bartell Drugs, 9-2, hosted by G2L and Bartells. Free health screenings and resources.
- August 15th Back to School Fair, at Valley Ridge Park, 10-2. Sponsors are welcome.
