On June 16, 8:30 PM, SeaTac Officers Hsu and Derth responded to a citizen's call of a suspicious person tampering with the back door of the Angle Lake Cycle Shop (S. 208th/International Blvd.) which was closed at the time. When they arrived, they saw a male inside. The male was taken into custody as he attempted to run from the building. It was determined that he was not an employee and that he didn't have permission to be there. He was in possession of cash, checks and receipts apparently taken from the business. He was booked for investigation of Burglary.

The Hotel/Motel Tax Advisory Committee will assist the City Council in soliciting requests for tourism-related activities from eligible entities and making recommendations for funding to the City Council as part of the annual budget development and adoption process. The committee's current vacancy requires someone associated with the hospitality industry. Meetings are held on the second Wednesday of each month at 3:00 PM.

The Senior Citizen Advisory Committee's Mission is to work with the Staff Liaison to identify issues related to senior citizens in the community; act as an advisory body to the City Council and provide input through the City Manager and the Staff Liaison to the City Council on issues relating to senior citizens in the SeaTac community.
