### Fire in SeaTac

Four people were able to escape safely from their home after their detached garage caught fire in the 2600 block of S. 142 Street on July 2.

The fire, reported at 9:57 AM, was quickly extinguished by firefighters from SeaTac, North Highline, and Tukwila before it could spread to the house. Firefighters had to use extra caution while fighting the fire after the electrical power line to the house burned through and fell to the ground. The live wire was eventually disconnected by Seattle City Light.

Red Cross was called to assist the two adults and two children who live in the house.

The fire is currently under investigation and there is no damage estimate.

## Safe Rider Citations

With sun and good weather come more people enjoying outdoor activities, which include riding bikes. Remember if you are riding a bike, skateboard or scooter, it is the law to wear a helmet. Our SeaTac Officers and Community Service Officers are actively looking for children wearing their helmets. Safe Kids has partnered with Washington McDonalds and Law Enforcement agencies to provide "Safe Rider Citations" to all children wearing their helmets. The "Safe Rider Citation" is good for one free happy meal at any Washington State McDonalds location. The City wants to commend children for following the law and for making safe choices! If you have any questions about bicycle safety, a link has been provided for Cascade Bicycle Club [www.cascade.org/Home/](http://www.cascade.org/Home/).
